

# IF-5, 22 LR with Brown/Gray Sporter Stock

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The IF-5 is the total package. It is what every shooter is looking for - lightweight, great balance and most of all incredible accuracy. The I-Fluting increases surface area, reduces weight and adds rigidity to the barrel more than any other fluting design we offer. This means maximum heat dissipation and unbelievable accuracy all from a barrel that is 12 oz lighter than a bull barrel .

The IF-5 comes standard with a Forward Blow Compensator to give it that added touch - both in terms of looks and performance.

It has always been our goal to achieve bolt action accuracy from a semi-auto and this begins with the barrel. Our stainless steel barrels feature match bore and chamber tolerances. These dimensions are proprietary to Volquartsen and have evolved from over 25 years of testing. Digital gauging equipment ensures that each barrel meets our stringent criteria.

- Stainless steel CNC-machined receiver
- .920" stainless steel bull barrel threaded into receiver
- I-Fluting
- Forward Blow Compensator
- TG2000 installed providing a crisp, clean trigger pull
- Integral Picatinny rail
- Muzzle threaded 1/2 x 28

# Safety Instruction Guide for IF5, 22 LR

## Introduction

Thank you for choosing the IF5, 22 LR with Brown/Gray Sporter Stock. This guide provides essential safety information to ensure the safe use and maintenance of your firearm. Please read and understand all instructions carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure the safe use of the IF5 firearm by following all safety instructions. This product is designed for experienced shooters and should be handled with care.
- **Age Restrictions:** This product is not intended for use by individuals under the age of 18. Ensure that only qualified adults handle and operate the firearm.
- **Storage:** Store the firearm in a secure location, away from children and unauthorized users. Use a locked cabinet or safe.
- **Regular Inspections:** Regularly inspect your firearm for any signs of wear or damage. If any issues are detected, do not use the firearm until it has been examined by a qualified gunsmith.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of accidental discharge or malfunction. Know how to safely unload and secure the firearm.

## Specific Safety Precautions for Use

- **Always Treat as Loaded:** Always treat the firearm as if it is loaded. Never point it at anything you do not intend to shoot.
- **Finger Off the Trigger:** Keep your finger off the trigger until you are ready to shoot.
- **Safe Backstop:** Ensure you have a safe backstop before firing. Be aware of your surroundings and ensure there are no people or animals in the line of fire.
- **Use Correct Ammunition:** Only use the recommended ammunition for the IF5, 22 LR. Using incorrect ammunition can lead to malfunctions or dangerous situations.
- **Avoid Alcohol and Drugs:** Do not use the firearm if you are under the influence of alcohol, drugs, or any substances that may impair your judgment.
- **Wear Protective Gear:** Always wear appropriate protective gear, including ear and eye protection, while using the firearm.

## Instructions for Installation and Usage

- **Installation of Accessories:** If you wish to install any accessories, follow the manufacturer's instructions carefully. Ensure that all components are securely attached before using the firearm.
- **Loading the Magazine:**
  - Ensure the firearm is pointed in a safe direction.
  - Insert the magazine into the magazine well until it clicks into place.
  - Pull back the charging handle to chamber a round.
- **Firing the Firearm:**
  - Ensure the safety is in the "fire" position.
  - Aim at your target and gently squeeze the trigger to fire.
- **Unloading the Firearm:**
  - Point the firearm in a safe direction.
  - Remove the magazine by pressing the magazine release button.
  - Pull back the charging handle to eject any chambered round.
  - Visually and physically inspect the chamber to ensure it is clear.

## Disposal Instructions

- **Disposal of Firearm:** If you need to dispose of your firearm, contact local authorities or a licensed firearms dealer for guidance on safe disposal methods. Do not dispose of firearms in regular trash.
- **Ammunition Disposal:** Dispose of unused or expired ammunition according to local regulations. Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, maintenance, or product support, please contact the manufacturer's support team or refer to the product documentation. Always ensure you have the latest information and guidance regarding your firearm.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your IF5, 22 LR. Always prioritize safety and responsibility when handling firearms.
