

# IF-5, 22 LR Lightweight Thumbhole Stock - IF-5, 22 LR with Blue Lightweight Thumbhole Stock

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The IF-5 is the total package. It is what every shooter is looking for - lightweight, great balance and most of all incredible accuracy. The I-Fluting increases surface area, reduces weight and adds rigidity to the barrel more than any other fluting design we offer. This means maximum heat dissipation and unbelievable accuracy all from a barrel that is 12 oz lighter than a bull barrel .

The IF-5 comes standard with a Forward Blow Compensator to give it that added touch - both in terms of looks and performance.

It has always been our goal to achieve bolt action accuracy from a semi-auto and this begins with the barrel. Our stainless steel barrels feature match bore and chamber tolerances. These dimensions are proprietary to Volquartsen and have evolved from over 25 years of testing. Digital gauging equipment ensures that each barrel meets our stringent criteria.

- 1 Magazine
- Stainless steel CNC-machined receiver
- .920" stainless steel bull barrel threaded into receiver
- I-Fluting
- Forward Blow Compensator
- TG2000 installed providing a crisp, clean trigger pull
- Integral Picatinny rail

# IF5, 22 LR Lightweight Thumbhole Stock Safety Instruction Guide

## Introduction

Thank you for choosing the IF5, 22 LR Lightweight Thumbhole Stock. This guide provides essential safety instructions to ensure the safe use of your firearm. Please read this document carefully and follow all guidelines to promote safe handling and operation.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Use appropriate eye and ear protection when shooting.
- Store the firearm unloaded and secured in a safe location, out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the IF5 before use.
- Only use the recommended ammunition specified for the IF5.
- Do not modify the firearm in any way that could affect its safety or performance.
- Be cautious of environmental conditions that may affect shooting, such as wind or rain.
- If you experience a misfire, keep the firearm pointed in a safe direction and wait at least 30 seconds before attempting to clear the chamber.
- Do not use the firearm if it has been dropped or damaged until it has been inspected by a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of Components:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Attach the Forward Blow Compensator securely to the muzzle, ensuring it is threaded properly.
- Install the magazine by aligning it with the magazine well and pushing it in until it clicks into place.

### 2. Loading the Firearm:

- Ensure the safety is engaged before loading.
- Insert a 10round magazine into the magazine well.
- Pull the bolt back to chamber a round.
- Release the bolt to allow it to return to the closed position.

### 3. Using the Firearm:

- Before firing, ensure that you have a clear line of sight to your target.
- Disengage the safety only when you are ready to fire.

- Maintain a firm grip on the firearm and position your finger outside the trigger guard until ready to shoot.
- Aim carefully and squeeze the trigger smoothly to fire.

#### **4. PostUsage Care:**

- After shooting, remove the magazine and ensure the firearm is unloaded.
- Clean the barrel and other components according to the manufacturer's recommendations.
- Store the firearm in a secure location.

## **Disposal Instructions**

- Dispose of any used ammunition and firearm components in accordance with local regulations.
- Do not dispose of the firearm in regular trash. Contact a licensed firearms dealer or local authorities for proper disposal methods.
- Ensure that all parts are rendered inoperable if disposing of the firearm.

## **Contact Information for Further Support**

For further inquiries regarding the IF5, please refer to the manufacturer or your local authorized dealer for assistance. Always ensure that you have the latest information related to safety and maintenance of your firearm.

By following these safety instructions, you can ensure a safe and enjoyable experience with your IF5, 22 LR Lightweight Thumbhole Stock. Thank you for your attention to these important guidelines.
