

# IF-5, 22 LR with Hogue Stock

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The IF-5 is the total package. It is what every shooter is looking for - lightweight, great balance and most of all incredible accuracy. The I-Fluting increases surface area, reduces weight and adds rigidity to the barrel more than any other fluting design we offer. This means maximum heat dissipation and unbelievable accuracy all from a barrel that is 12 oz lighter than a bull barrel .

The IF-5 comes standard with a Forward Blow Compensator to give it that added touch - both in terms of looks and performance.

It has always been our goal to achieve bolt action accuracy from a semi-auto and this begins with the barrel. Our stainless steel barrels feature match bore and chamber tolerances. These dimensions are proprietary to Volquartsen and have evolved from over 25 years of testing. Digital gauging equipment ensures that each barrel meets our stringent criteria.

- 1 Magazine
- Stainless steel CNC-machined receiver
- .920" stainless steel bull barrel threaded into receiver
- I-Fluting
- Forward Blow Compensator
- TG2000 installed providing a crisp, clean trigger pull

# Safety Instruction Guide for IF5, 22 LR with Hogue Stock

## Introduction

Thank you for choosing the IF5, 22 LR with Hogue Stock. This product is designed for optimal performance and accuracy. However, to ensure your safety and the safety of others, it is essential to follow the guidelines outlined in this manual. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with important safety information.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the IF5 by following the instructions provided. This product is not a toy and should be handled with care.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. If a recall occurs, follow the instructions provided for returning the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements. Verify the product's authenticity and safety certifications.
- **Special Consumer Focus:** This product is not suitable for children. Keep it out of reach to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Handling:** Always handle the IF5 with care. Treat it as if it is loaded, even when you believe it to be unloaded.
- **Storage:** Store the IF5 in a secure location, preferably in a locked cabinet or safe, to prevent unauthorized access.
- **Shooting Environment:** Only use the IF5 in designated shooting areas. Ensure the area is clear of people and obstacles before firing.
- **Protective Gear:** Always wear appropriate protective gear, including eye and ear protection, when using the firearm.
- **Maintenance:** Regularly inspect and maintain the IF5 to ensure it functions correctly. Follow the manufacturer's guidelines for cleaning and maintenance.

## Instructions for Installation and Usage

### Installation

- **Check Contents:** Before installation, ensure all components are included as per the product specifications.
- **Mounting the Picatinny Rail:**
  - Align the Picatinny rail with the designated slots on the receiver.
  - Use the provided screws to secure the rail firmly in place.

### Usage

- **Loading the Magazine:**
  - Ensure the firearm is pointed in a safe direction.
  - Insert the magazine into the receiver until it clicks into place.

- Load the rounds into the magazine, following the appropriate orientation.

- **Firing:**

- Ensure the safety is in the "off" position.
- Aim at your target, ensuring the area is clear.
- Squeeze the trigger gently to fire.

- **PostFiring:**

- After firing, always engage the safety.
- Remove the magazine and clear the chamber.
- Store the IF5 safely.

## Disposal Instructions

- **Disposal of Firearm:** If you need to dispose of the IF5, do so in accordance with local laws and regulations. Contact local authorities for guidance on proper disposal methods.
- **Environmental Considerations:** Do not dispose of any components in regular household waste. Follow local regulations for hazardous waste disposal.

## Contact Information for Further Support

For any questions regarding the use, maintenance, or safety of the IF5, please contact the manufacturer directly through the designated EU contact point. Ensure you have the product information ready for a more efficient response.

By following these guidelines, you can help ensure a safe and enjoyable experience with your IF5, 22 LR with Hogue Stock. Always prioritize safety and responsibility in your shooting activities.
