

# Superlite, 22 LR with Hogue Stock, FDE Sleeve and TG2000

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

Our Superlite rifle is a great plinker or hunting rifle that's a breeze to carry and shoot. It features a super lightweight but ultra tough CNC-machined aluminum hard anodized receiver rather than the stainless steel receiver on which our other Volquartsen rifles are built. The Superlite also comes standard with our lightweight THM tension barrel.

Our standard Superlite models feature a removable Forward Blow Comp that is threaded on using 1/2 x 28 threads.

- 1 Magazine
- Black receiver is Type III hard anodized
- Receiver features threaded in barrel
- Integral Picatinny rail

# Superlite 22 LR with Hogue Stock Safety Instruction Guide

## Introduction

Thank you for choosing the Superlite 22 LR with Hogue Stock. This guide provides important safety instructions to ensure the safe use and handling of your rifle. It is essential to read and understand these guidelines to prevent accidents and injuries.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that you have a clear backstop when shooting.
- Store the firearm in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Always use the correct ammunition for your firearm.
- Use eye and ear protection when shooting.

## Specific Safety Precautions for Use

- Ensure the safety is engaged when loading or unloading the firearm.
- Do not use the firearm if you are under the influence of drugs or alcohol.
- Avoid using the firearm in adverse weather conditions that may impair your judgment or visibility.
- Be cautious when shooting near populated areas or where there may be bystanders.
- If the firearm fails to fire after pulling the trigger, keep the muzzle pointed downrange for at least 30 seconds before attempting to clear the malfunction.
- Never modify the firearm or use aftermarket parts that are not approved by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow the manufacturer's instructions for installing accessories like scopes or grips.

### 2. Loading the Firearm:

- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull back the charging handle to chamber a round, ensuring the safety is engaged.

### 3. Shooting:

- Always ensure your target is safe and you have a clear line of fire.
- Disengage the safety only when you are ready to shoot.
- Maintain a firm grip and proper stance while shooting.

### 4. Unloading the Firearm:

- Point the firearm in a safe direction.

- Engage the safety before unloading.
- Remove the magazine and pull back the charging handle to eject any chambered round.

#### **5. Cleaning and Maintenance:**

- Regularly clean your firearm according to the manufacturer's guidelines.
- Use appropriate cleaning supplies to maintain the integrity of the barrel and receiver.

## **Disposal Instructions**

- Dispose of the firearm only in accordance with local laws and regulations.
- Ensure that the firearm is rendered inoperable before disposal.
- Contact local authorities or a licensed firearms dealer for safe disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the Superlite 22 LR with Hogue Stock, please refer to the manufacturer's official website or authorized dealers for support and assistance.

By following these safety guidelines and instructions, you can enjoy the benefits of your Superlite rifle while maintaining a safe environment for yourself and others. Thank you for your attention to these important safety measures.
