

Superlite, 22 LR, Red Lightweight Thumbhole Stock, Aluminum Forward Blow Comp - Superlite, 22 LR, Red Lightweight Thumbhole Stock, Aluminum FBC

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

Our Superlite rifle is a great plinker or hunting rifle that's a breeze to carry and shoot. It features a super lightweight but ultra tough CNC-machined aluminum hard anodized receiver rather than the stainless steel receiver on which our other Volquartsen rifles are built. The Superlite also comes standard with our lightweight THM tension barrel.

Our standard Superlite models feature a removable Forward Blow Comp that is threaded on using 1/2 x 28 threads.

- 1 Magazine
- Black receiver is Type III hard anodized
- Receiver features threaded in barrel
- Integral Picatinny rail

Safety Instruction Guide for the Superlite Rifle

Introduction

Thank you for choosing the Superlite rifle. This guide provides essential safety instructions to ensure the safe handling and operation of your rifle. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Always be aware of your target and what is beyond it.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for the Superlite rifle.
- Wear appropriate eye and ear protection while shooting.
- Do not use the rifle under the influence of drugs or alcohol.
- Regularly inspect the rifle for any signs of damage or wear before use.

Specific Safety Precautions for Use

- Ensure the safety is engaged when loading or unloading the rifle.
- Do not place your finger on the trigger until you are ready to fire.
- Avoid shooting in areas where there are people or animals nearby.
- Be cautious of environmental conditions that could affect shooting, such as wind or rain.
- If a round does not fire, wait at least 30 seconds before attempting to remove it.
- Only use the rifle in designated shooting areas or ranges.

Instructions for Installation and Usage

1. Installation of Accessories

- Ensure the rifle is unloaded before attaching any accessories.
- Follow the manufacturer's instructions for installing any additional components.

2. Loading the Rifle

- Open the action and visually inspect the chamber to ensure it is clear.
- Insert a magazine into the magazine well until it clicks into place.
- Pull the bolt back and release it to chamber a round.

3. Firing the Rifle

- Stand in a stable shooting position with your feet shoulderwidth apart.
- Hold the rifle firmly with both hands, ensuring a proper grip.
- Align your sights with the target and take a deep breath.
- Squeeze the trigger gently to fire.

4. Unloading the Rifle

- Point the rifle in a safe direction.
- Engage the safety.
- Remove the magazine from the rifle.
- Open the action and visually inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- If the rifle is damaged or no longer functional, contact a professional for proper disposal methods.
- Do not dispose of ammunition in regular trash; follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your Superlite rifle, please contact your local dealer or the manufacturer directly.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and usage of your Superlite rifle.
