Action Kit for the Remington 597 Safety Instruction Guide

Introduction

Thank you for choosing the Action Kit for the Remington 597. This product is designed to enhance the performance of your firearm by reducing trigger pull and eliminating stovepipes. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even when you believe it is not.
- Store firearms and ammunition separately and securely, out of reach of children and unauthorized users.
- Use appropriate safety gear, such as eye protection and hearing protection, when using your firearm.
- Do not modify any firearm components unless you are a qualified gunsmith or have the necessary expertise.
- Always follow the manufacturer's instructions for your firearm.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the Action Kit.
- Avoid using the product in wet or damp conditions to prevent rust and corrosion.
- Do not use the Action Kit if it shows signs of wear or damage.
- Keep hands and fingers clear of the trigger area when handling the firearm.
- Be aware of your surroundings and ensure that you have a safe backstop when firing.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools for installation.

2. Installation:

- Remove the stock from the firearm according to the manufacturer's instructions.
- Carefully replace the existing hammer with the Target Hammer included in the kit.
- Install the Exact Edge Extractor in place of the original extractor.
- Reassemble the firearm following the manufacturer's guidelines.

3. Usage:

- After installation, test the firearm in a safe and controlled environment.
- Ensure that the trigger pull is to your satisfaction and that the firearm operates smoothly without stovepipes.
- Regularly inspect the Action Kit components for wear and tear.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the Action Kit becomes damaged or unusable, follow local waste disposal regulations for hazardous

materials.

Contact Information for Further Support

For any inquiries regarding safety or product use, please consult the manufacturer's customer service or visit their official website. It is important to have a reliable contact for assistance with any safety concerns related to the Action Kit for the Remington 597.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Action Kit for the Remington 597. Always prioritize safety and responsible firearm handling.
