# Front Sight Safety Instruction Guide

## Introduction

Thank you for choosing the Front Sight, LLV/Scorpion Front Sight, designed specifically for the Volquartsen Scorpion pistol or LLV Competition Upper. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this document carefully before using or installing the Front Sight.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the front sight.
- Handle the front sight with care to avoid any damage or injury.
- Store the front sight in a safe place, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Regularly inspect the front sight for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Keep this instruction guide for future reference.

## Specific Safety Precautions for Use

- Ensure that the front sight is compatible with your specific model of the Volquartsen Scorpion pistol or LLV Competition Upper.
- Use only the mounting screws provided with the front sight for installation.
- Do not modify the front sight or its mounting hardware in any way.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.
- Always wear appropriate eye protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver suitable for the mounting screws.

#### 2. Remove Existing Sight

- If applicable, carefully remove the existing front sight from the firearm using the appropriate tool.

#### 3. Align the New Front Sight

- Position the new Front Sight over the predrilled and tapped holes on the firearm.
- Ensure proper alignment for optimal performance.

#### 4. Secure the Front Sight

- Insert the provided mounting screws into the holes.
- Tighten the screws securely, but do not overtighten to avoid damaging the sight or the firearm.

#### 5. Final Check

- Inspect the installation to ensure that the front sight is securely attached.

- Confirm that there are no obstructions or loose parts.

## **Usage Instructions**

- Always check the functionality of the front sight before each use.
- Familiarize yourself with the sight picture and how it affects your aim.
- Practice safe shooting habits and follow all firearm handling guidelines.

## **Disposal Instructions**

- Dispose of any damaged or worn parts of the front sight in accordance with local regulations.
- If you no longer require the front sight, consider recycling or donating it, if safe to do so.
- Ensure that any disposed items do not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the Front Sight, including safety concerns or installation questions, please refer to the EU contact point provided by the manufacturer. Always ensure you have the latest information and support available.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your Front Sight, LLV/Scorpion Front Sight.
