

Battleworn Rifle, 22 LR, Magpul Stock - Battleworn Rifle, 22 LR, Gray Magpul Stock

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The Battleworn Rifle is the total package. It is what every shooter is looking for - lightweight, great balance and most of all incredible accuracy. The I-Fluting increases surface area, reduces weight and adds rigidity to the barrel more than any other fluting design we offer. This means maximum heat dissipation and unbelievable accuracy all from a barrel that is 12 oz lighter than a bull barrel .

The Battleworn Rifle comes standard with a Forward Blow Compensator to give it that added touch - both in terms of looks and performance.

It has always been our goal to achieve bolt action accuracy from a semi-auto and this begins with the barrel. Our stainless steel barrels feature match bore and chamber tolerances. These dimensions are proprietary to Volquartsen and have evolved from over 25 years of testing. Digital gauging equipment ensures that each barrel meets our stringent criteria.

- 1 Magazin
- Stainless steel CNC-machined receiver

Battleworn Rifle Safety Instruction Guide

Introduction

Thank you for choosing the Battleworn Rifle, 22 LR, Gray Magpul Stock. This comprehensive safety instruction guide is designed to ensure the safe and proper use of your firearm. Please read this guide carefully before using the product. It complies with the EU General Product Safety Regulation (GPSR) to provide essential safety information.

General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your target and what is beyond it.
- Store the rifle securely and out of reach of children and unauthorized users.
- Regularly inspect the rifle for any signs of wear or damage.
- Use only the specified ammunition for the Battleworn Rifle.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

• Potential Hazards:

- Misfires: Ensure the rifle is properly maintained to avoid misfires.
- Overheating: The barrel can become hot during use. Avoid direct contact with the barrel after firing.
- Recoil: Be prepared for recoil when firing the rifle.
- Environmental Hazards: Be mindful of your surroundings, including other people and animals.

• Avoiding Hazards:

- Always perform a safety check before using the rifle.
- Use appropriate shooting gear, including eye and ear protection.
- Do not use the rifle under the influence of drugs or alcohol.
- Ensure a clear shooting area before firing.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded before installation.
- Attach any accessories according to the manufacturer's instructions.
- Check that all components are securely fastened.

2. Usage:

- Load the magazine with the specified 10round capacity.
- Insert the magazine into the rifle until it clicks into place.
- Ensure the safety is engaged until you are ready to fire.
- Aim at your target, disengage the safety, and gently squeeze the trigger to fire.
- After firing, engage the safety before reloading or handling the rifle.

3. PostUse Care:

- Clean the rifle after each use according to the manufacturer's cleaning instructions.
- Store the rifle in a secure location, preferably in a locked cabinet or safe.

Disposal Instructions

- Dispose of any used ammunition and firearm parts in accordance with local regulations.
- Do not dispose of the rifle in regular household waste.
- Contact a licensed firearms dealer or local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Battleworn Rifle, please refer to your local authorized dealer or service center. It is important to ensure that you have access to support when needed.

Conclusion

The Battleworn Rifle is designed for accuracy and performance. By following the safety guidelines and instructions outlined in this guide, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and stay informed about best practices for firearm use.
