

Exact Edge Extractor for SW22

[Handgun Parts](#) > [Action Parts](#) > [Extractor Parts](#) > [Extractors](#)

The Exact Edge Extractor is manufactured through an EDM process to produce exacting tolerances. The new extractor will not lose its edge under impact such as other extractors made from stamped steel or titanium that will have their edges roll over and actually cause extraction problems after a short period of use. Our extractor features a very precise hook point.

We are able to hold the tolerances to +/-0.0001" by utilizing the EDM manufacturing process.

The hook is .005" closer to the rim of the cartridge to allow for the most positive extraction available.

Attributes

- Name: [Exact Edge Extractor for SW22](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231215
- Mfr. No.: VCSWEE
- Make: Smith & Wesson
- Model: SW22
- Delivery weight: 0.1kg
- UPC: 810162014353

Exact Edge Extractor for SW22 Safety Instruction Guide

Introduction

Thank you for choosing the Exact Edge Extractor for SW22. This product has been designed with precision and safety in mind. Please read this safety instruction guide carefully to ensure safe and effective use of the extractor.

General Safety Guidelines

- Ensure safe use of the Exact Edge Extractor by following these guidelines:
 - Always handle the extractor with care to avoid injury.
 - Keep the extractor out of reach of children and vulnerable individuals.
 - Use the extractor for its intended purpose only.
 - Regularly inspect the extractor for any signs of wear or damage before use.
 - If you notice any defects, discontinue use immediately and seek assistance.
- In case of any safety concerns regarding the product, you are encouraged to:
 - Report unsafe products and accidents to the relevant authorities.
 - Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When using the Exact Edge Extractor, please be aware of the following precautions:
 - Ensure that the extractor is compatible with your SW22 firearm model.
 - Always follow the manufacturer's instructions for installation and usage.
 - Avoid applying excessive force when using the extractor to prevent damage.
 - Be cautious of sharp edges when handling the extractor.
 - Do not use the extractor if it appears damaged or worn.
- For users with limited experience in firearm maintenance:
 - Seek guidance from a qualified professional before using the extractor.
 - Consider attending a workshop or training session on firearm maintenance.

Instructions for Installation and Usage

- To install and use the Exact Edge Extractor, follow these steps:
 - 1. Preparation:**
 - Ensure that the firearm is unloaded and pointed in a safe direction.
 - Gather necessary tools for installation, such as a screwdriver.
 - 2. Installation:**
 - Remove the old extractor from the SW22 firearm if applicable.

- Align the Exact Edge Extractor with the designated slot.
- Securely fasten the extractor in place using the appropriate tools.
- Doublecheck that the extractor is firmly installed and functions correctly.

3. Usage:

- Load the firearm according to the manufacturer's guidelines.
- When firing, monitor the extraction process to ensure proper functioning.
- If extraction issues occur, cease use and inspect the extractor for any problems.

Disposal Instructions

- When disposing of the Exact Edge Extractor, please adhere to the following guidelines:
 - Do not dispose of the extractor in regular household waste.
 - Check local regulations for the proper disposal of metal products.
 - Consider recycling the extractor if possible, as it may be made of recyclable materials.

Contact Information for Further Support

For any inquiries or further support regarding the Exact Edge Extractor, please refer to your local authorized dealer or manufacturer. It is important to have a reliable point of contact for any safety inquiries or concerns.

By following this safety instruction guide, you can ensure a safe and effective experience with the Exact Edge Extractor for SW22. Thank you for your attention to safety.
