Safety Instruction Guide for Laminated Grips for SW22

Introduction

Thank you for choosing the Laminated Grips for SW22. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the grips are compatible with your specific firearm model (SW22).
- Always handle firearms with care and follow basic gun safety rules.
- Inspect the grips regularly for wear and damage. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only as intended: These grips are designed for the SW22 model and are specifically for righthanded users.
- Do not modify the grips or attempt to make adjustments not specified in this guide.
- Be cautious when handling the firearm with the new grips installed, as they may change your grip dynamics.
- Ensure that the magazine release extension does not interfere with the operation of the firearm.
- Store the firearm securely when not in use, ensuring that the grips are intact and functioning correctly.

Instructions for Installation and Usage

1. Installation of Grips:

- Remove the existing grips from the SW22 by unscrewing the screws holding them in place.
- Align the new Laminated Grips with the mounting holes on the firearm.
- Secure the grips by tightening the screws carefully. Do not overtighten, as this may damage the grips or the firearm.

2. Usage of Grips:

- Ensure a firm grip on the firearm when in use.
- Practice handling the firearm with the new grips to become accustomed to their feel and functionality.
- Regularly check the grips for any signs of looseness or wear.

Disposal Instructions

- Dispose of any damaged grips responsibly. Consider recycling options for wood materials if available in your area.
- Do not dispose of grips in regular household waste if they are damaged or contain hazardous materials.

Contact Information for Further Support
