[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Lauf für 10/22

Der Lite Carbon Fiber Barrel setzt den Standard für einen leichten Lauf - Bull Barrel Match-Präzision bei der Hälfte des Gewichts! Ein Edelstahllauf, der mit einem geflochtenen Carbonfaserrohr ausgestattet ist, schafft einen Luftraum zwischen dem Lauf und der Hülse, wodurch der Lauf unter Schnellfeuerbedingungen kühl bleibt. Die Steifigkeit des Kohlefaserrohrs ermöglicht es uns, den Lauf unter Spannung zu setzen, wodurch Laufvibrationen minimiert werden, die normalerweise bei kleineren Laufdurchmessern auftreten.

Spezifikationen:

- Lauf aus rostfreiem Stahl
- Laser-gehärteter Verschluss
- 1/2 x 28 Mündungsgewinde am Lauf gefräst (keine Adapter), was die POI-Verschiebung bei Verwendung eines Schalldämpfers minimiert

Safety Instruction Guide for 10/22 22 LR Aluminum THM Tension Barrel with 32 Hole Comp

Introduction

Thank you for choosing the 10/22 22 LR Aluminum THM Tension Barrel with 32 Hole Comp. This product is designed for precision shooting and is made from highquality materials to ensure safety and performance. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always treat the barrel as if it is loaded.
- Keep the barrel pointed in a safe direction at all times.
- Ensure that you are in a suitable environment for shooting.
- Use appropriate eye and ear protection when using the barrel.
- Store the barrel securely when not in use to prevent unauthorized access.
- Regularly inspect the barrel for any signs of wear or damage.
- Familiarize yourself with the local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult.
- **Personal Protective Equipment:** Always wear safety glasses and hearing protection to minimize the risk of injury.
- **Handling:** Avoid placing your fingers on the trigger until you are ready to shoot. Always keep the safety engaged until you are prepared to fire.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunction or injury.
- **Compatibility:** Ensure that the barrel is compatible with your firearm model (Ruger 10/22) before installation.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Ruger 10/22 following the manufacturer's instructions.
- Align the 10/22 22 LR Aluminum THM Tension Barrel with the receiver.
- Securely attach the barrel using the provided screws and tools, ensuring a snug fit.
- Check for proper alignment and ensure the muzzle threads are clean and free of debris.

2. Usage:

- Once installed, perform a function check to ensure that the barrel operates correctly with your firearm.
- When ready to shoot, load the firearm according to the manufacturer's instructions.
- Maintain control of your firearm at all times and be aware of your surroundings.
- After shooting, clean the barrel according to the cleaning instructions provided by the manufacturer.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm accessories.
- Do not dispose of the barrel in regular household waste.
- If the barrel is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please contact the manufacturer or your local dealer. Ensure you have your product details on hand for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your 10/22 22 LR Aluminum THM Tension Barrel with 32 Hole Comp. Thank you for your attention to safety.
