Safety Instruction Guide for Laminated Grips for MK IV

Introduction

Thank you for choosing the Laminated Grips for MK IV, designed for enhanced comfort and stability during use. This guide provides essential safety instructions to ensure proper handling, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always inspect the grips for any damage before use.
- Ensure that the grips are compatible with your specific model (Ruger MK IV).
- Keep the grips out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure a secure fit of the grips to avoid any movement during use.
- Use only the provided screws for installation; do not substitute with other types.
- Avoid using excessive force when gripping the firearm; maintain a relaxed grip to enhance control.
- Be aware of your surroundings when handling the firearm equipped with these grips.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: a hex key (included) for installation.
- Ensure that the firearm is unloaded and safe to handle.

2. Installation:

- Remove the existing grips from the MK IV by unscrewing the old screws.
- Align the Laminated Grips with the mounting holes on the firearm.
- Insert the provided screws into the mounting holes and tighten them securely using the hex key.
- Check that the grips are firmly attached and do not move.

3. Usage:

- Hold the firearm with both hands, ensuring your fingers are positioned in the designated finger grooves.
- Use the thumb rest for added stability during operation.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the grips in accordance with local regulations.
- If the grips are damaged or no longer needed, do not throw them in regular waste. Check for recycling options in your area.
- Ensure that all components, including screws, are disposed of safely.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the contact details provided by the manufacturer or retailer where the product was purchased.
