# Safety Instruction Guide for Laminated Grips for MK IV

## Introduction

Thank you for choosing the Laminated Grips for MK IV, designed specifically for the Ruger MK IV in brown and for lefthanded users. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read the instructions carefully before installation and use.

## General Safety Guidelines

- Ensure that the grips are compatible with your specific model (Ruger MK IV).
- Always handle the product with care to avoid injury.
- Store the grips in a safe location away from children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Avoid using the grips in wet or slippery conditions to prevent loss of control.
- Ensure that your hands are clean and dry before gripping to maintain a secure hold.
- Do not modify the grips in any way, as this may compromise safety.
- Use the grips only as intended; any misuse may result in injury or damage.
- Always follow the manufacturer's instructions for the firearm when using the grips.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather the necessary tools, including the four included Allen screws.
- Remove the existing grips from your Ruger MK IV by unscrewing them carefully.
- Align the new Laminated Grips with the grip frame of the firearm.
- Secure the grips in place using the provided Allen screws. Ensure they are tightened properly but do not overtighten, as this may damage the grips.

### 2. Usage Instructions:

- Hold the firearm with both hands, ensuring a firm grip on the Laminated Grips.
- Maintain a relaxed yet stable grip during use.
- Practice proper firearm safety protocols at all times, including keeping the firearm pointed in a safe direction.

## Disposal Instructions

- Dispose of any damaged or worn grips responsibly according to local regulations.
- If you need to dispose of the grips, consider recycling options if available.
- Do not discard grips in regular household waste if they are made from materials that require special handling.

## Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of your Laminated Grips for MK IV, please contact

the manufacturer directly. Ensure you have your product details ready for a quicker response.

Thank you for prioritizing safety while using your Laminated Grips for MK IV. Enjoy your enhanced shooting experience!
