Safety Instruction Guide for Laminated Grips for MK IV

Introduction

Thank you for choosing the Laminated Grips for MK IV. This product is designed to enhance your shooting experience by providing a comfortable and stable grip. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the grips are compatible with your MK IV model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and contact the manufacturer.

Specific Safety Precautions for Use

- Do not use the grips if they are damaged or show signs of wear.
- Ensure a secure fit during installation to avoid any accidents while shooting.
- Avoid exposing the grips to extreme temperatures or harsh chemicals.
- Always use the grips in a safe environment, free from distractions.
- Follow all local laws and regulations regarding firearm use and modifications.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** You will need an Allen wrench to install the grips.
2. **Remove Old Grips:** Carefully remove the existing grips from your MK IV using the Allen wrench.
3. **Align New Grips:** Position the Laminated Grips on the firearm, ensuring they fit snugly.
4. **Secure Grips:** Use the provided Allen screws to secure the grips in place. Tighten them firmly but avoid overtightening.
5. **Check Stability:** After installation, check that the grips are stable and do not move.

Usage Instructions

- Hold the firearm securely with both hands, ensuring a firm grip on the Laminated Grips.
- Practice safe shooting techniques and maintain awareness of your surroundings.
- Clean the grips regularly with a soft cloth to maintain their appearance and functionality.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the grips become damaged beyond repair, dispose of them as per local waste disposal regulations.
- Do not throw grips in fire or expose them to extreme heat.
