Safety Instruction Guide for Laminated Grips for MK IV

Introduction

Thank you for choosing the Laminated Grips for MK IV. This product is designed to enhance your shooting experience with comfort and stability. Please read this safety instruction guide carefully to ensure safe and effective use of the grips.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grips.
- Follow all local laws and regulations regarding firearm accessories.
- Use the grips only with compatible models, specifically the Ruger MK IV.
- Keep the grips out of reach of children and vulnerable individuals.
- Regularly inspect the grips for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure that your hands are dry and free of any substances that could affect grip stability.
- Avoid using the grips in extreme weather conditions that may affect performance.
- Do not modify or alter the grips in any way, as this may compromise safety.
- If you experience any discomfort while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the provided four hex screws to attach the grips securely to the firearm.
- Tighten the screws evenly to ensure a stable fit, but avoid overtightening.

2. Usage:

- Hold the firearm with a firm grip using the newly installed grips.
- Practice regularly to become familiar with the grip's feel and functionality.
- Store the firearm in a safe place when not in use, ensuring the grips are protected from damage.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the grips become damaged beyond repair, contact local waste management for proper disposal methods.
- Do not dispose of the grips in regular household waste if they contain hazardous materials.
