

Mamba-TFX, 6"

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Wettkampfschützen sind immer auf der Suche nach dem "kleinen Etwas", das auch nur den Bruchteil einer Sekunde einsparen kann. Die Black Mamba-TFX und seine verschiedenen Montagepositionen bieten genau das.

Die Montage des Red-dots so weit unten in der Laufachse wie möglich, sorgt für eine schnellere Zielerfassung, und es gibt keinen besseren Weg, dies zu erreichen, als das Rotpunktvisier direkt am Schaft zu montieren. Die Black Mamba-X wird mit unserem LLV-4X 4,5" Competition Upper gebaut, das über eine integrierte Universal-Rotpunktmontage verfügt.

Die Black Mamba-TFX ist eine wettkampftaugliche Pistole in einer Takedown-Konfiguration mit Druckknopf. Nichts ist so schnell und wendig wie die Black Mamba. Sie kombiniert die Eigenschaften der Volquartsen Scorpion 22 LR Target Pistole mit der Push-Button-Takedown-Funktionalität des Ruger® MK IV™ Rahmens.

Die Black Mamba-TFX ist standardmäßig ausgestattet mit:

- Ein 4,5"-Lauf mit ½ x 28-Gewinde aus rostfreiem Stahl mit lasergehärtetem Verschluss aus rostfreiem Stahl in einem hart eloxierten Aluminiummantel Typ III
- Volquartsen Accurizing Kit für einen Abzug von 2,25 lb
- DLC-beschichteter Volquartsen Competition Bolt
- Volquartsen Single-Port-Kompensator

MambaTFX Safety Instruction Guide

Introduction

Thank you for choosing the MambaTFX, 6". This product is designed for competitive shooting and offers innovative features to enhance your performance. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat the MambaTFX as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety is engaged until you are ready to shoot.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a clear shooting area.
- Always wear appropriate eye and ear protection when using the firearm.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- **Age Restrictions:** The MambaTFX is intended for use by individuals aged 18 and older. Ensure that all users are of legal age and have received proper training.
- **Training:** It is highly recommended that users undergo training with a certified firearms instructor before using the MambaTFX.
- **Maintenance:** Regularly inspect and maintain the firearm to ensure it is in safe working condition. Refer to the manufacturer's guidelines for maintenance procedures.
- **Ammunition:** Only use ammunition that is specified for the MambaTFX. Using incorrect ammunition can lead to malfunctions and accidents.
- **Environment:** Avoid using the firearm in wet or damp conditions, as this may affect its performance and safety.

Instructions for Installation and Usage

Installation

1. Mounting the Red Dot Sight:

- Ensure the firearm is unloaded and the safety is engaged.
- Position the red dot sight on the designated mount on the firearm.
- Secure the sight using the provided screws, ensuring it is tightly fastened.
- Check for proper alignment before use.

2. Loading the Magazine:

- Use only the specified 10round magazines included with the MambaTFX.
- Load the magazine by pressing down the follower and inserting cartridges one at a time until the magazine is full.
- Ensure the magazine is securely inserted into the firearm before use.

Usage

1. Preparing to Shoot:

- Ensure the firearm is pointed in a safe direction.

- Disengage the safety and prepare to take aim.
- Confirm that the shooting area is clear of obstructions and bystanders.

2. Shooting:

- Maintain a firm grip on the firearm.
- Aim at the target and squeeze the trigger gently to fire.
- After firing, reengage the safety and assess the situation before taking further action.

3. Unloading:

- To unload the firearm, remove the magazine first.
- Open the action to eject any chambered round.
- Ensure the firearm is empty and the safety is engaged before storing.

Disposal Instructions

- Dispose of the MambaTFX in accordance with local regulations regarding firearms and hazardous materials.
- Do not dispose of the firearm in regular waste. Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the EU contact point or the manufacturer's website for additional support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MambaTFX. Always prioritize safety and responsibility when handling firearms.
