

# Camo Black Mamba, 6"

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

The Black Mamba combines features from our Scorpion 22 LR Target Pistol along with the push button takedown functionality of the Ruger MK IV platform.

It all starts with our LLV Competition Upper. Available in a 4.5" or 6" barrel length, it features a stainless steel barrel (with stainless steel breech) housed in an aluminum shroud. This design provides match grade accuracy in a lightweight package. Integral Picatinny rail on top and bottom is standard.

Our Competition Bolt with DLC Coating is ensures smooth operation and functioning whether its a day of plinking at the range or competing at the highest level.

The Black Mamba build utilizes a polymer Ruger MK IV 22/45 frame that has been retrofitted with our Accurizing Kit providing a crisp, clean 2.25 lb trigger pull. The frame has also been fitted with our magazine release that, when used in conjunction with our magazine base pads (included standard), eliminates feeding issues. This is accomplished by raising the magazine's position in the frame, allowing the bolt to more positively engage each round as it feeds.

Competition ready in an easy takedown configuration - the Black Mamba is everything you are looking for and more whether you are a backyard plinker, looking to win your local matches, or hitting the national competition scene.

## Attributes

- Name: [Camo Black Mamba, 6"](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231280
- Mfr. No.: VF4M-0018

# Camo Black Mamba Safety Instruction Guide

## Introduction

Thank you for choosing the Camo Black Mamba. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your product. Please read this manual carefully before using the Camo Black Mamba to ensure safe operation and compliance with EU safety regulations.

## General Safety Guidelines

- Ensure that the Camo Black Mamba is used only by individuals who are at least 18 years old and have received proper training in firearm safety.
- Always treat the firearm as if it is loaded, even if you believe it is not.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Always use appropriate eye and ear protection when operating the firearm.
- Do not use the firearm under the influence of drugs or alcohol.
- Be aware of your surroundings and ensure that you are in a safe environment before discharging the firearm.
- Regularly inspect the firearm for any signs of damage or wear and have it serviced by a qualified gunsmith if necessary.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the Camo Black Mamba before use.
- Always use the correct caliber ammunition specified for the firearm (.22lr).
- Check the barrel and chamber for obstructions before loading.
- Do not point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of the muzzle direction at all times and ensure it is pointed in a safe direction.
- Do not attempt to modify or alter the firearm in any way.
- In case of a misfire, keep the firearm pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installation.
- Follow the manufacturer's instructions for attaching any accessories, such as sights or grips.
- Ensure that all parts are securely fastened and functioning properly.

### 2. Loading the Firearm:

- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the bolt back and release it to chamber a round.

### 3. Firing the Firearm:

- Assume a proper shooting stance.
- Aim the firearm at the target while keeping your finger off the trigger.
- Squeeze the trigger smoothly to fire the firearm.

### 4. Unloading the Firearm:

- Remove the magazine from the firearm.
- Open the action and visually inspect the chamber to ensure it is empty.

#### **5. Takedown for Cleaning:**

- Follow the manufacturer's instructions for disassembling the firearm for cleaning.
- Ensure the firearm is unloaded before disassembly.

## **Disposal Instructions**

- When disposing of the Camo Black Mamba, ensure it is rendered inoperable to prevent unauthorized use.
- Consult local regulations regarding the disposal of firearms and ammunition.
- Do not discard ammunition in regular waste; return it to a licensed dealer or follow local hazardous waste guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Camo Black Mamba, please refer to the manufacturer's website or contact customer support through the appropriate channels.

**Note:** Always report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Camo Black Mamba. Thank you for your attention to these important guidelines.
