

Black Mamba, Fiber Optic Front Sight, Single Port Comp - Black Mamba, 6", Fiber Optic Front Sight, Cerakote Tungsten

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Die Black Mamba kombiniert die Eigenschaften unserer Scorpion 22 LR Target Pistole mit der Push-Button-Takedown-Funktionalität der Ruger MK IV Plattform.

Es beginnt alles mit unserem LLV Competition Upper. Erhältlich in einer 4,5" oder 6" Lauflänge, verfügt er über einen Edelstahl Lauf (mit Edelstahlverschluss), der in einem Aluminiummantel untergebracht ist. Diese Konstruktion bietet Match-Grade-Präzision in einem leichten Paket. Integrierte Picatinny-Schienen oben und unten sind Standard. Drei Farben stehen zur Auswahl: schwarz, FDE und OD grün. Jede Black Mamba verfügt über eine Gewindemündung mit unserem Single-Port-Comp installiert.

Unser Competition Bolt mit DLC-Beschichtung sorgt für reibungslosen Betrieb und Funktion, egal ob es sich um einen Tag des Plinking auf dem Schießstand oder einen Wettkampf auf höchstem Niveau handelt.

Der Black Mamba Build verwendet einen Ruger MK IV 22/45 Polymerrahmen, der mit unserem Accurizing Kit nachgerüstet wurde und einen knackigen, sauberen 2,25 lb Abzug bietet. Der Rahmen wurde außerdem mit unserem Magazinauslöser ausgestattet, der in Verbindung mit unseren Magazinbodenpads (im Lieferumfang enthalten) Zuführungsprobleme beseitigt. Dies wird dadurch erreicht, dass die Position des Magazins im Rahmen angehoben wird, so dass der Bolzen beim Einschießen der Patrone besser greifen kann.

Safety Instructions for Black Mamba Fiber Optic Front Sight

Introduction

Thank you for choosing the Black Mamba Fiber Optic Front Sight. This product is designed for use with the Ruger MK IV platform and combines advanced features for enhanced shooting performance. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition separately and securely.
- Ensure that the firearm is in good working condition before use.
- Use only the recommended caliber and ammunition for your firearm.
- Be aware of your surroundings and the potential for ricochets.
- Wear appropriate eye and ear protection when shooting.
- Do not use the firearm under the influence of drugs or alcohol.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the Black Mamba is properly installed on the Ruger MK IV before use.
- Check that all components are securely attached and functioning correctly.
- Do not modify the Black Mamba or any of its components.
- Be cautious of hot surfaces after firing, as the barrel and compensator may become extremely hot.
- Always use the firearm in a controlled environment, such as a shooting range.
- Ensure that bystanders are at a safe distance when firing.

Instructions for Installation and Usage

1. Installation of the Black Mamba:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight from the Ruger MK IV.
- Align the Black Mamba front sight with the mounting point on the firearm.
- Secure the sight using the provided screws, ensuring they are tightened but not overtightened to avoid damage.
- Check that the front sight is stable and properly aligned.

2. Using the Black Mamba:

- Load the firearm with the appropriate ammunition.
- Aim at the target while ensuring that the firearm is pointed in a safe direction.
- Gently pull the trigger while maintaining focus on the target.
- After firing, be sure to observe the surroundings for any potential hazards.

3. PostUse Care:

- After each use, clean the Black Mamba and the firearm according to the manufacturer's recommendations.

- Store the firearm and the Black Mamba in a secure location.

Disposal Instructions

- Dispose of any damaged or nonfunctional parts responsibly.
- Follow local regulations for the disposal of firearms and firearm components.
- Consider recycling materials where possible, and ensure that hazardous materials are disposed of in accordance with local laws.

Contact Information for Further Support

For any questions or concerns regarding the Black Mamba Fiber Optic Front Sight, please refer to the manufacturer's website or contact your local dealer for assistance. Ensure you have the product details ready for a more efficient response.

By adhering to these safety instructions, you can help ensure a safe and enjoyable shooting experience with your Black Mamba Fiber Optic Front Sight. Always prioritize safety and responsible firearm handling.
