

Mamba-X, 6", No Threads

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Die Black Mamba kombiniert die Eigenschaften unserer Scorpion 22 LR Target Pistole mit der Push-Button-Takedown-Funktionalität der Ruger MK IV Plattform.

Es beginnt alles mit unserem LLV Competition Upper. Erhältlich in einer 4,5" oder 6" Lauflänge, verfügt er über einen Edelstahl Lauf (mit Edelstahlverschluss), der in einem Aluminiummantel untergebracht ist. Diese Konstruktion bietet Match-Grade-Präzision in einem leichten Paket.

Unser Competition Bolt mit DLC-Beschichtung sorgt für reibungslosen Betrieb und Funktion, egal ob es sich um einen Tag des Plinking auf dem Schießstand oder einen Wettkampf auf höchstem Niveau handelt.

Der Black Mamba Build verwendet einen Ruger MK IV 22/45 Polymerrahmen, der mit unserem Accurizing Kit nachgerüstet wurde und einen knackigen, sauberen 2,25 lb Abzug bietet. Der Rahmen wurde außerdem mit unserem Magazinauslöser ausgestattet, der in Verbindung mit unseren Magazinbodenpads (im Lieferumfang enthalten) Zuführungsprobleme beseitigt. Dies wird dadurch erreicht, dass die Position des Magazins im Rahmen angehoben wird, so dass der Bolzen beim Einschließen der Patrone besser greifen kann.

Attributes

- Name: [Mamba-X, 6", No Threads](#)
- Manufacturer: [VOLQUARTSEN](#)

MambaX Safety Instruction Guide

Introduction

Thank you for choosing the MambaX. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before using the MambaX to understand the necessary precautions and guidelines.

General Safety Guidelines

- Always treat the MambaX as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure your finger is off the trigger until you are ready to shoot.
- Store the MambaX in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles before firing.
- Do not use the MambaX under the influence of drugs or alcohol.
- Regularly inspect the firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and ownership.

Specific Safety Precautions for Use

- **Age Restrictions:** The MambaX is intended for use by individuals aged 18 and older. Ensure that minors do not have access to the firearm.
- **Training:** Seek training from a qualified firearms instructor if you are inexperienced in handling firearms.
- **Loading and Unloading:** Always follow the correct procedures for loading and unloading the firearm. Ensure the firearm is pointed in a safe direction during this process.
- **Malfunctions:** If the firearm does not fire or malfunctions, keep it pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.
- **Maintenance:** Regularly clean and maintain the MambaX to ensure optimal performance and safety. Refer to the manufacturer's guidelines for specific maintenance procedures.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure that any accessories added to the MambaX are compatible and installed according to the manufacturer's instructions.
- Do not modify the firearm in any way that could compromise its safety or function.

2. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Insert the magazine into the magazine well until it clicks into place.
- Pull back the slide to chamber a round, ensuring you are aware of the direction of the muzzle.

3. Firing the Firearm:

- Ensure that you are in a safe area to fire the firearm.
- Place your finger on the trigger only when you are ready to shoot.
- Aim at your target and squeeze the trigger smoothly.

4. Unloading the Firearm:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Pull back the slide to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is clear.

5. Storage:

- Store the MambaX in a locked safe or cabinet.
- Use a trigger lock or other safety device to prevent unauthorized access.

Disposal Instructions

- When disposing of the MambaX, ensure that it is unloaded and clear of any ammunition.
- Follow local regulations for the disposal of firearms and ammunition.
- Contact a local firearms dealer or law enforcement for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support related to the MambaX, please contact the manufacturer directly. Ensure you have your product information ready for reference.

By adhering to these guidelines, you can help ensure a safe and enjoyable experience with your MambaX. Always prioritize safety and responsibility when handling firearms.
