

Mamba-X, 6"

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Die Black Mamba kombiniert die Eigenschaften unserer Scorpion 22 LR Target Pistole mit der Push-Button-Takedown-Funktionalität der Ruger MK IV Plattform.

Es beginnt alles mit unserem LLV Competition Upper. Erhältlich in einer 4,5" oder 6" Lauflänge, verfügt er über einen Edelstahl Lauf (mit Edelstahlverschluss), der in einem Aluminiummantel untergebracht ist. Diese Konstruktion bietet Match-Grade-Präzision in einem leichten Paket.

Unser Competition Bolt mit DLC-Beschichtung sorgt für reibungslosen Betrieb und Funktion, egal ob es sich um einen Tag des Plinking auf dem Schießstand oder einen Wettkampf auf höchstem Niveau handelt.

Der Black Mamba Build verwendet einen Ruger MK IV 22/45 Polymerrahmen, der mit unserem Accurizing Kit nachgerüstet wurde und einen knackigen, sauberen 2,25 lb Abzug bietet. Der Rahmen wurde außerdem mit unserem Magazinauslöser ausgestattet, der in Verbindung mit unseren Magazinbodenpads (im Lieferumfang enthalten) Zuführungsprobleme beseitigt. Dies wird dadurch erreicht, dass die Position des Magazins im Rahmen angehoben wird, so dass der Bolzen beim Einschießen der Patrone besser greifen kann.

Attributes

- Name: [Mamba-X, 6"](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231301

MambaX Safety Instruction Guide

Introduction

Thank you for choosing the MambaX, a precision firearm designed for both recreational shooting and competitive use. This guide provides essential safety instructions to ensure your safe handling, usage, and maintenance of the MambaX. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Always treat the MambaX as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Use only the recommended ammunition for the MambaX.
- Ensure the firearm is unloaded when not in use.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Wear appropriate eye and ear protection when using the firearm.
- Do not consume alcohol or drugs before or while using the firearm.

Specific Safety Precautions for Use

- Ensure that the firearm is in good working condition before use. Regular maintenance is essential.
- Check the barrel for obstructions before loading.
- Do not modify the firearm in any way that could affect its safety or function.
- Be cautious of environmental conditions that may affect shooting, such as wind or rain.
- If a misfire occurs, keep the firearm pointed downrange for at least 30 seconds before attempting to unload.
- Always use a proper shooting stance and grip when firing the MambaX.
- Be aware of the range rules and regulations at the shooting location.

Instructions for Installation and Usage

• Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow the manufacturer's instructions for any additional accessories, such as sights or grips.

• Loading the Firearm:

- Open the action and visually inspect the chamber to ensure it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull back the slide to chamber a round, ensuring it is fully seated.

• Shooting:

- Stand in a stable position with your feet shoulderwidth apart.
- Hold the firearm with both hands, ensuring a firm grip.
- Align your sights on the target and gently squeeze the trigger to fire.

• Unloading the Firearm:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.

- Pull back the slide to eject any chambered round and visually inspect the chamber to confirm it is empty.

- **Cleaning and Maintenance:**

- Clean the firearm regularly following the manufacturer's guidelines.
- Use appropriate cleaning supplies designed for firearms.
- Store the firearm in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of any used ammunition and firearm components in accordance with local regulations.
- If you need to dispose of the MambaX or any of its components, contact a licensed firearms dealer or local law enforcement for guidance on safe disposal methods.

Contact Information for Further Support

For additional information or assistance regarding safety or product inquiries, please refer to the manufacturer's website or contact their support team directly.

Conclusion

Safety is paramount when handling firearms. By following the guidelines and instructions provided in this manual, you can ensure a safe and enjoyable experience with your MambaX. Always prioritize safety and seek professional training if you are new to firearms. Thank you for your attention to these important safety measures.
