

Mamba-X, 4.5"

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Die Black Mamba kombiniert die Eigenschaften unserer Scorpion 22 LR Target Pistole mit der Push-Button-Takedown-Funktionalität der Ruger MK IV Plattform.

Es beginnt alles mit unserem LLV Competition Upper. Erhältlich in einer 4,5" oder 6" Lauflänge, verfügt er über einen Edelstahl Lauf (mit Edelstahlverschluss), der in einem Aluminiummantel untergebracht ist. Diese Konstruktion bietet Match-Grade-Präzision in einem leichten Paket.

Unser Competition Bolt mit DLC-Beschichtung sorgt für reibungslosen Betrieb und Funktion, egal ob es sich um einen Tag des Plinking auf dem Schießstand oder einen Wettkampf auf höchstem Niveau handelt.

Der Black Mamba Build verwendet einen Ruger MK IV 22/45 Polymerrahmen, der mit unserem Accurizing Kit nachgerüstet wurde und einen knackigen, sauberen 2,25 lb Abzug bietet. Der Rahmen wurde außerdem mit unserem Magazinauslöser ausgestattet, der in Verbindung mit unseren Magazinbodenpads (im Lieferumfang enthalten) Zuführungsprobleme beseitigt. Dies wird dadurch erreicht, dass die Position des Magazins im Rahmen angehoben wird, so dass der Bolzen beim Einschießen der Patrone besser greifen kann.

Attributes

- Name: [Mamba-X, 4.5"](#)
- Manufacturer: [VOLQUARTSEN](#)

MambaX Safety Instruction Guide

Introduction

Thank you for choosing the MambaX, a highquality firearm designed for performance and accuracy. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before using the MambaX to familiarize yourself with its features and safety precautions.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Always keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when shooting.
- Ensure that you are in a suitable environment for shooting, such as a designated range.

Specific Safety Precautions for Use

- Ensure that you are familiar with the MambaX's operation before use.
- Always check that the firearm is unloaded before cleaning or performing maintenance.
- Use only the recommended ammunition type (.22lr) for the MambaX.
- Do not modify or alter the firearm in any way.
- If the firearm fails to fire, keep the muzzle pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.
- Be cautious of the firearm's weight and balance, especially when aiming or moving.

Instructions for Installation and Usage

Installation

- Ensure that you have a clean and safe workspace.
- Attach the LLV Competition Upper to the Ruger MK IV 22/45 Polymer frame according to the manufacturer's instructions.
- Make sure that all components are securely fitted and that there are no loose parts.

Usage

- Load the magazine with the appropriate ammunition (2 x 10Round magazines included).
- Insert the magazine into the firearm until it clicks into place.
- To chamber a round, pull back the slide and release it gently.
- Aim at your target and ensure that the area is clear before pulling the trigger.
- After use, always unload the firearm and store it securely.

Disposal Instructions

- Dispose of all used ammunition and firearm components in accordance with local regulations.
- If you need to dispose of the MambaX, contact your local law enforcement agency for guidance on safe disposal methods.
- Do not throw firearms in the trash or abandon them in public places.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or customer service channels. Always ensure that you have the latest updates and safety notices.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MambaX. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
