# Safety Instruction Guide for ENV ENV6

## Introduction

Thank you for choosing the ENV ENV6, a versatile pistol configuration designed for varmint hunting. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before using the ENV ENV6.

## General Safety Guidelines

- Always treat the ENV ENV6 as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Never place your finger on the trigger until you are ready to shoot.
- Always be aware of your target and what is beyond it.
- Use only the recommended ammunition for the ENV ENV6.
- Ensure that the firearm is stored securely and out of reach of children.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- **Make:** Ruger
- **Model:** 10/22
- **Caliber:** .22lr
- **Muzzle Threads:** 1/228
- **Barrel Length:** 6 inches
- **Magazine Included:** 1 x 10Round
- **Twist Rate:** 116
- **Barrel Type:** Threaded
- Always ensure the firearm is unloaded before cleaning or performing maintenance.
- Do not modify the ENV ENV6 in any way that could alter its safety features.
- When using the firearm, wear appropriate eye and ear protection.
- Be cautious of your surroundings and avoid shooting in areas where people or animals may be present.
- If you experience a misfire, keep the firearm pointed in a safe direction and wait at least 30 seconds before attempting to clear the malfunction.

## Instructions for Installation and Usage

### • Installation of Accessories:

- Ensure the firearm is unloaded before installing any accessories.
- Follow the manufacturer's instructions for installing any attachments or modifications.
- Use only accessories that are compatible with the ENV ENV6 and meet safety standards.

### • Usage Instructions:

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm until it clicks into place.
- To chamber a round, pull back the charging handle and release it.
- To fire, place your finger on the trigger only when ready to shoot.
- After firing, always check the chamber to ensure it is empty before storing the firearm.

## **Disposal Instructions**

- Dispose of any unused ammunition according to local regulations.
- When disposing of the ENV ENV6, ensure that it is rendered inoperable before disposal.
- Contact your local law enforcement agency for guidance on the safe disposal of firearms.

## **Contact Information for Further Support**

For questions or concerns regarding the ENV ENV6, please reach out to your local dealer or authorized service center. Always ensure you have the latest information on safety recalls and updates.

## **Conclusion**

The ENV ENV6 is designed for safe and effective use when handled responsibly. By following the guidelines and instructions provided in this document, you can help ensure a safe experience while enjoying your product. Always prioritize safety and stay informed about best practices for firearm use.
