

ENV Pistol, No Brace - ENV Pistol, 6", No Brace

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Diese vielseitige Pistolenkonfiguration eignet sich perfekt für einen Tag auf dem Schießstand oder sogar für Varmint. Der Lauf ist in ein Aluminium-Gehäusesystem von Enoch Industries eingebaut, das kompakte Vielseitigkeit für Randfeuerwaffenplattformen bietet. Es enthält alle aktuellen AR-15 Befestigungsstandards für eine neue Ebene der Funktion. Das Chassis verfügt auch über eine hintere Picatinny-Schiene, die die Anbringung einer Strebe ermöglicht.

- Aluminium-Empfänger
- Leichter Lauf

Safety Instruction Guide for ENV Pistol, No Brace

Introduction

Thank you for choosing the ENV Pistol, No Brace. This versatile pistol configuration is designed for a day at the shooting range or varmint hunting. It is essential to understand how to use this product safely and responsibly. This guide provides important safety instructions and precautions to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not consume alcohol or drugs before or while using this product.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the ENV Pistol is in proper working condition before use.
- Check the barrel for obstructions before each use.
- Only use ammunition that is specified for the ENV Pistol (.22lr).
- Do not modify the firearm or use accessories that are not compatible with the ENV Pistol.
- Be cautious when loading and unloading the firearm; keep your finger off the trigger until you are ready to shoot.
- If a misfire occurs, keep the firearm pointed in a safe direction for at least 30 seconds before attempting to clear the malfunction.
- Always use the safety features provided, and do not rely solely on them.

Instructions for Installation and Usage

Installation

- Ensure that the ENV Pistol is unloaded before installation.
- Attach any accessories according to the manufacturer's instructions.
- Ensure that the Picatinny rail is securely fastened if using it for additional attachments.

Usage

- Load the magazine with the correct ammunition (.22lr) and insert it into the magazine well.
- Pull back the charging handle to chamber a round.
- To fire, ensure your finger is on the trigger only when ready to shoot.
- After firing, always check the chamber to ensure it is clear before handling or storing the firearm.
- When finished shooting, unload the firearm immediately and store it safely.

Disposal Instructions

- Dispose of the ENV Pistol in accordance with local laws and regulations.
- If the firearm is damaged or no longer functional, contact a licensed firearms dealer for proper disposal.
- Do not dispose of ammunition in regular trash; follow local guidelines for hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact your local dealer or manufacturer. Ensure you have the product's model and serial number ready for reference.

Conclusion

Safety is paramount when handling firearms. By following these guidelines and precautions, you can help ensure a safe and enjoyable experience with your ENV Pistol, No Brace. Always remain vigilant and responsible while using this product.
