# Safety Instruction Guide for ENV ENV9

## Introduction

Thank you for choosing the ENV ENV9. This versatile pistol configuration is designed for Varmint hunting and features an aluminum chassis system by Enoch Industries that offers compact versatility for rimfire platforms. This guide provides essential safety instructions and guidelines to ensure the safe use of this product.

## General Safety Guidelines

- Always treat the ENV ENV9 as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the muzzle is pointed away from yourself and others when handling the firearm.
- Always keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what lies beyond it.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use only the recommended ammunition for the ENV ENV9 to avoid malfunctions.
- Regularly inspect the firearm for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult at all times.
- **Usage Environment:** Only use the ENV ENV9 in designated shooting ranges or areas where shooting is permitted.
- **Protective Gear:** Always wear appropriate protective gear, including hearing protection and shooting glasses, when using the ENV ENV9.
- **Handling:** Avoid sudden movements or actions that could lead to accidental discharge. Always handle the firearm with care.
- **Cleaning and Maintenance:** Follow the manufacturer's guidelines for cleaning and maintaining the ENV ENV9. Ensure the firearm is unloaded before cleaning.

## Instructions for Installation and Usage

### 1. Installation of Accessories:

- Ensure the firearm is unloaded before attaching any accessories.
- Use the provided Picatinny rail for mounting any accessories securely.
- Follow the manufacturer's instructions for any thirdparty accessories to ensure compatibility and safety.

### 2. Loading the Firearm:

- Open the action and visually inspect the chamber to confirm it is clear.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to load a round into the chamber.

### 3. Firing the Firearm:

- Ensure you are in a safe position with a clear line of sight to your target.
- Place your finger on the trigger only when you are ready to fire.
- Squeeze the trigger gently to fire the round.

### 4. Unloading the Firearm:

- Remove the magazine from the firearm.
- Pull the charging handle to eject any round in the chamber.
- Visually inspect the chamber to ensure it is empty.

#### **5. PostUse Procedures:**

- Clean the firearm according to the manufacturer's instructions after each use.
- Store the firearm securely in a safe location.

## **Disposal Instructions**

- Dispose of the ENV ENV9 responsibly and in accordance with local regulations.
- If you no longer wish to keep the firearm, contact a licensed firearms dealer or local authorities for safe disposal options.
- Do not dispose of ammunition in regular trash. Follow local regulations for the disposal of ammunition.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the ENV ENV9, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ENV ENV9. Always prioritize safety and responsibility in all aspects of firearm use.
