

ENV Pistol, No Brace - ENV Pistol, 9", No Brace

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

Diese vielseitige Pistolenkonfiguration eignet sich perfekt für einen Tag auf dem Schießstand oder sogar für Varmint. Der Lauf ist in ein Aluminium-Gehäusesystem von Enoch Industries eingebaut, das kompakte Vielseitigkeit für Randfeuerwaffenplattformen bietet. Es enthält alle aktuellen AR-15 Befestigungsstandards für eine neue Ebene der Funktion. Das Chassis verfügt auch über eine hintere Picatinny-Schiene, die die Anbringung einer Strebe ermöglicht.

- Aluminium-Empfänger
- Leichter Lauf

Safety Instruction Guide for the ENV Pistol, No Brace

Introduction

Thank you for choosing the ENV Pistol, No Brace. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the ENV Pistol to understand its features and safety measures.

General Safety Guidelines

- Always treat the ENV Pistol as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the ENV Pistol in a secure location, away from children and unauthorized users.
- Use only the recommended ammunition specified for the ENV Pistol.
- Regularly inspect the ENV Pistol for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm ownership and use.
- Always wear appropriate eye and ear protection when using the ENV Pistol.

Specific Safety Precautions for Use

- Ensure that the safety mechanism is engaged when the ENV Pistol is not in use.
- Do not modify the ENV Pistol in any way that could affect its safety or performance.
- Be aware of your surroundings and ensure that the area is clear of people and animals before shooting.
- Do not shoot at hard surfaces or water, as ricochets can occur.
- If a misfire occurs, keep the muzzle pointed downrange for at least 30 seconds before attempting to clear the firearm.
- Avoid using the ENV Pistol under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the ENV Pistol is unloaded before attaching any accessories.
- Follow the manufacturer's instructions for installing any accessories, such as optics or grips.

2. Loading the Magazine:

- Use only the specified magazine for the ENV Pistol.
- Load the magazine with the correct ammunition, ensuring it is seated properly.

3. Loading the ENV Pistol:

- Insert the loaded magazine into the magazine well until it clicks into place.
- Pull the charging handle to the rear and release it to chamber a round.

4. Firing the ENV Pistol:

- Ensure the safety is in the "fire" position before attempting to fire.
- Aim at your target and squeeze the trigger smoothly to fire.

5. Unloading the ENV Pistol:

- Remove the magazine from the ENV Pistol.

- Pull the charging handle to the rear to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is clear.

Disposal Instructions

- Dispose of the ENV Pistol in accordance with local laws and regulations.
- If the ENV Pistol is no longer functional or is deemed unsafe, contact a qualified gunsmith for proper disposal methods.
- Do not dispose of ammunition or firearm components in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ENV Pistol, please contact the manufacturer or your local firearms dealer. They will provide you with the necessary support and guidance.

Conclusion

Your safety and the safety of others is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your ENV Pistol, No Brace. Always remain vigilant and prioritize safety in all aspects of firearm ownership and use. Thank you for your attention to these important safety instructions.
