# Holster for MambaTF Safety Instruction Guide

## Introduction

Thank you for choosing the Holster for MambaTF by LAG Tactical. This guide provides important safety information and instructions to ensure the safe use of your holster. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Inspect the holster for any damage or wear before each use. Do not use if damaged.
- Store the holster in a cool, dry place away from direct sunlight.
- Keep the holster out of reach of children and unauthorized users.
- Be aware of your surroundings when using the holster, especially in public areas.
- Follow all local laws and regulations regarding firearm storage and transport.

## Specific Safety Precautions for Use

- Ensure that the retention system is properly adjusted for your comfort and security.
- Use the holster only for the intended model (MambaTF). Do not attempt to use it with other models.
- Avoid exposing the holster to extreme temperatures, moisture, or chemicals that could degrade the material.
- Do not overload the holster beyond its intended capacity.
- If you experience any issues with the holster, discontinue use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a compatible belt mount (e.g., Safariland ELS, QLS, UBL, BT TekLok).
- Follow the manufacturer's instructions to securely attach the belt mount to your belt or gear.
- Ensure that the holster is firmly attached to the belt mount before use.

### 2. Usage:

- To draw your firearm, grip the holster firmly and release the retention system.
- Use a smooth, deliberate motion to draw the firearm from the holster.
- Practice drawing your firearm in a safe environment to become accustomed to the holster's features.
- After use, always return the firearm to the holster and secure the retention system.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the holster in a manner that may pose a risk to the environment or public safety.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Holster for MambaTF, please reach out to the manufacturer or authorized dealer. Always ensure that you have the latest information regarding safety recalls and product

updates.

Remember, safety is paramount when handling firearms and related accessories. By following these guidelines, you can help ensure a safe and enjoyable experience with your new holster.
