# LeftHanded Holster for MambaX and 1911 Style Scorpion Safety Instructions

## Introduction

Thank you for choosing the LeftHanded Holster for MambaX and 1911 Style Scorpion by LAG Tactical. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this document carefully before using the product.

## General Safety Guidelines

To ensure the safe use of your holster, follow these guidelines:

- Always handle your holster and firearm with care.
- Ensure the firearm is unloaded before placing it in the holster.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for wear and tear.
- Do not modify the holster in any way.
- Always be aware of your surroundings when using the holster.
- Follow all local laws and regulations regarding firearm use and storage.

## Specific Safety Precautions for Use

When using the LeftHanded Holster, pay attention to the following safety precautions:

- Ensure the adjustable retention is properly set for your firearm.
- Only use belt mounts that are compatible with the holster (e.g., Safariland ELS, QLS, UBL, BT TekLok).
- Avoid using the holster with firearms that exceed the specified dimensions or weight limits.
- Be cautious when using the open bottom design with suppressors; ensure the suppressor is within the recommended diameter (1 inch or smaller).
- Always practice safe drawing techniques to avoid accidental discharge.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of your holster:

### 1. Installation:

- Choose a compatible belt mount (e.g., Safariland ELS, QLS, UBL, BT TekLok).
- Securely attach the belt mount to your belt according to the manufacturer's instructions.
- Ensure that the holster is firmly attached to the belt mount.

### 2. Usage:

- Before inserting your firearm, ensure it is unloaded.
- Adjust the retention settings to fit your firearm securely.
- Insert the firearm into the holster, ensuring it is seated properly.
- When drawing the firearm, use a smooth and controlled motion to avoid snagging.

## Disposal Instructions

When disposing of the holster, follow these guidelines:

- Do not dispose of the holster in regular household waste.
- Check local regulations for proper disposal of Kydex materials.
- If the holster is damaged or no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the LeftHanded Holster for MambaX and 1911 Style Scorpion, please contact the manufacturer or authorized dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy the secure and reliable use of your holster.
