LeftHanded Holster Safety Instructions

Introduction

Thank you for choosing the LeftHanded Holster for MambaTFX and Target 22 Style Scorpion. This holster is designed to provide a secure and safe way to carry your pistol. Please read this safety instruction guide carefully to ensure proper usage and compliance with safety regulations.

General Safety Guidelines

- Always ensure that the firearm is unloaded before placing it in the holster.
- Regularly inspect the holster for signs of wear or damage.
- Keep the holster away from moisture and extreme temperatures to maintain its integrity.
- Store the holster in a safe location, out of reach of children and unauthorized users.
- Familiarize yourself with the holster's features and how it works before use.

Specific Safety Precautions for Use

- Ensure that the holster is securely attached to your belt or other carrying apparatus before placing your firearm inside.
- Do not attempt to modify the holster in any way, as this may compromise its safety features.
- Avoid placing any objects inside the holster other than the intended firearm.
- When drawing your firearm from the holster, do so in a controlled manner to prevent accidental discharge.
- Be aware of your surroundings when using the holster, especially in crowded or public areas.

Instructions for Installation and Usage

1. Installation:

- Choose a belt that is compatible with the BladeTech TEKLOK attachment.
- Slide the TEKLOK onto the belt, ensuring it is secure and properly positioned.
- Adjust the holster's angle and height according to your preference for comfort and accessibility.

2. Usage:

- Before inserting your firearm, ensure it is unloaded.
- Gently slide the firearm into the holster, ensuring it fits snugly.
- Check that the holster retains the firearm securely by gently shaking the holster.
- When ready to draw, grasp the grip of the firearm firmly and pull it out in a smooth motion.

Disposal Instructions

- Dispose of the holster in accordance with local regulations for plastic and fabric materials.
- If the holster is damaged beyond use, consider recycling the materials where possible.
- Do not dispose of the holster in a manner that could pose a risk to the environment or public safety.
