Introduction

Thank you for choosing the LeftHanded Holster for MambaTFX and Target 22 Style Scorpion by LAG Tactical. This guide provides important safety information and instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that your holster is compatible with your specific firearm model.
- Inspect the holster regularly for any signs of wear or damage.
- Ensure that the firearm is unloaded before placing it in the holster.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Do not modify the holster in any way that may affect its safety or functionality.
- Always follow local laws and regulations regarding the carrying of firearms.

Specific Safety Precautions for Use

- Ensure that the retention system is properly adjusted to securely hold your firearm.
- Use the holster only for its intended purpose and with compatible firearms.
- Avoid placing the holster in areas where it may be exposed to extreme temperatures or moisture.
- When drawing your firearm from the holster, do so in a controlled manner, ensuring that the muzzle is pointed in a safe direction.
- Be aware of your surroundings and ensure that no one is in harm's way when drawing or holstering your firearm.

Instructions for Installation and Usage

1. Installation

- Select a compatible belt mount (e.g., Safariland ELS, QLS, UBL, BT TekLok).
- Attach the holster to the chosen belt mount following the manufacturer's instructions.
- Ensure that the holster is securely fastened to the mount.

2. Usage

- Before inserting your firearm, ensure it is unloaded.
- Insert the firearm into the holster, ensuring it is seated properly.
- Adjust the retention system as needed to ensure a secure fit.
- To draw the firearm, release the retention mechanism and pull the firearm smoothly from the holster.
- After use, holster the firearm carefully, ensuring it is secure in the holster.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or no longer needed, consider recycling the materials where possible.
- Ensure that the holster is not left in a location where it may be accessed by children or unauthorized individuals.
