Introduction

Thank you for choosing the Holster for Black Mamba, 22/45 by LAG Tactical. This product is designed to provide a safe and secure carrying solution for your Black Mamba firearm. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store the holster and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage before use.
- Familiarize yourself with the holster's features and how it operates.
- Ensure that the holster is compatible with your specific firearm model before use.
- Follow all local laws and regulations regarding firearm storage and transportation.

Specific Safety Precautions for Use

- Only use the holster as intended and for the specified firearm model (Black Mamba, 22/45).
- Do not attempt to modify the holster in any way.
- Ensure that the firearm is unloaded when inserting or removing it from the holster.
- Always secure the holster properly to your belt or gear to prevent accidental drops or dislodging.
- Avoid exposing the holster to extreme temperatures, moisture, or chemicals that could compromise its integrity.
- If you notice any malfunction or failure of the holster, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location on your belt or gear for the holster.
- Attach the BladeTech TEKLOK to your belt or gear by following the manufacturer's instructions.
- Ensure that the holster is firmly secured and does not shift during movement.

2. Usage:

- To insert the firearm, ensure it is unloaded.
- Carefully slide the firearm into the holster, making sure it is seated securely.
- To draw the firearm, use your dominant hand to grip the holster and pull the firearm out smoothly.
- Always keep the muzzle pointed in a safe direction when drawing or holstering the firearm.

Disposal Instructions

- When disposing of the holster, ensure it is done in accordance with local regulations regarding plastic and synthetic materials.
- If the holster is damaged beyond use, consider recycling the materials where possible.
