# Holster for Mini Mamba 22/45 Safety Instruction Guide

## Introduction

Thank you for choosing the Holster for Mini Mamba 22/45 by LAG Tactical. This guide provides essential safety information and instructions for the proper use and care of your holster. Please read this guide carefully to ensure safe handling and usage of your product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Do not use the holster for any firearm other than the Mini Mamba 22/45.
- Regularly inspect the holster for signs of wear, damage, or deterioration.
- Keep the holster away from heat sources and direct sunlight to prevent material degradation.
- Ensure that the holster is securely attached to your belt or mounting platform before use.
- Always store your holster in a safe location away from children and unauthorized individuals.

## Specific Safety Precautions for Use

- When drawing your firearm from the holster, ensure that your finger is off the trigger until you are ready to fire.
- Be aware of your surroundings and ensure that you have a clear line of sight before drawing your firearm.
- Do not attempt to modify the holster in any way, as this may compromise its safety features.
- Use caution when using the holster with thin suppressors; ensure that the suppressor does not interfere with the holster's functionality.
- If you experience any issues with the holster, cease use immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a compatible belt mount (e.g., Safariland ELS, QLS, UBL, BT TekLok).
- Attach the holster to the belt mount according to the manufacturer's instructions.
- Ensure that all connections are secure before use.

### 2. Usage:

- To insert the Mini Mamba into the holster, align the firearm with the holster opening.
- Push the firearm down into the holster until it clicks into place, indicating that it is secure.
- Adjust the retention if necessary to ensure a snug fit without compromising accessibility.
- To draw the firearm, grasp the grip firmly and pull upward, ensuring that your finger remains off the trigger until ready to fire.

## Disposal Instructions

- When disposing of the holster, ensure that it is done in an environmentally responsible manner.
- Check local regulations for proper disposal methods for plastic materials.
- Do not incinerate the holster, as this may release harmful substances into the environment.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product information, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Holster for Mini Mamba 22/45. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
