Safety Instruction Guide for Threaded Inserts for Grip Screws Set of 4

Introduction

Thank you for choosing the Threaded Inserts for Grip Screws, designed specifically for the MK IV and MK IV 22/45 models. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that you are a qualified gunsmith before attempting installation. Improper installation may lead to injury or damage.
- Always handle tools and products with care to avoid accidents.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the threaded inserts as intended for grip panel screws on the MK IV and MK IV 22/45 models.
- Do not attempt to modify or alter the threaded inserts.
- Ensure that the firearm is unloaded and safe before beginning any installation or maintenance work.
- Wear appropriate safety gear, such as gloves and safety glasses, when handling tools and products.
- Avoid using excessive force during installation to prevent damage to the firearm or the inserts.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver, and ensure a clean workspace.
- Verify that you have the correct model (MK IV or MK IV 22/45) before proceeding.

2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip panel screws carefully.
- Insert the threaded inserts into the designated holes of the grip panel.
- Secure the inserts by tightening them with the appropriate tool, following the manufacturer's torque specifications.
- Reattach the grip panel to the firearm, ensuring a snug fit.
- Doublecheck that all screws are properly tightened and secure.

3. PostInstallation:

- Conduct a safety check of the firearm to ensure it is functioning correctly.
- Store the firearm safely and securely when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer needed or is damaged beyond use, follow local guidelines for disposal of metal components.

Contact Information for Further Support

For any questions or concerns regarding the Threaded Inserts for Grip Screws, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to a knowledgeable contact for any safety inquiries or productrelated issues.

Thank you for your attention to these safety guidelines. Your safety and the proper functioning of your firearm are our top priorities.
