## Volquartsen Ruger MKIII Extended Magazine Release

The Volquartsen Ruger MKIII Extended Magazine Release is 1/8" longer than the original magazine release lever and therefore offers easier access. In addition, this release lever has been modified to improve the insertion of the original magazines. It only fits the 22/45 models and is not compatible with MK IV pistols.

The magazine release lever is CNC machined from stainless steel and made in the USA, ensuring the highest quality and durability.

### Features:

- **Length:** 1/8" longer than the original magazine release lever for easier access
- **Design:** Improved magazine insertion
- **Material:** CNC machined from stainless steel
- **Compatibility:** Fits Ruger 22/45 models only, not compatible with MK IV pistols
- **Origin:** Made in the USA

# Safety Instruction Guide for Volquartsen Ruger MKIII Extended Magazine Release

## Introduction

Thank you for choosing the Volquartsen Ruger MKIII Extended Magazine Release. This product is designed to enhance your shooting experience by providing easier access to magazine release. Please read this safety instruction guide carefully to ensure safe use and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and accessories responsibly and with care.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the magazine release for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the extended magazine release with any models other than Ruger 22/45.
- Ensure that the firearm is unloaded before installing or removing the magazine release.
- Always check that the magazine is properly seated after installation.
- Avoid modifying the magazine release or using it in any unintended manner.
- Use eye protection when handling firearms to protect against potential hazards.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Locate the original magazine release lever on your Ruger 22/45.
- Using a suitable tool, carefully remove the original magazine release lever.
- Align the Volquartsen extended magazine release with the mounting area.
- Securely attach the extended magazine release, ensuring it is firmly in place.

### 2. Usage

- To release the magazine, press the extended magazine release lever.
- Check the magazine for proper insertion before firing.
- Regularly test the functionality of the magazine release during practice sessions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or customer service.
