# Picatinny Scope Mount Safety Instructions

## Introduction

Thank you for choosing the Volquartsen Picatinny Scope Mount. This guide provides essential safety instructions and installation guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your pistol model (Ruger MKI, MKII, MKIII, MK IV, and 22/45).
- Always handle firearms with care and follow all safety protocols.
- Inspect the mount and your firearm for any signs of damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing the scope mount.
- Do not attempt to modify the mount or the firearm in any way that could compromise safety.
- Use only the mounting screws provided with the product to ensure secure installation.
- Avoid using the scope mount in extreme weather conditions that could affect performance.
- Regularly check the mount for tightness and stability during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools: a screwdriver compatible with the mounting screws.

### 2. Installation:

- Locate the factory drilled and tapped receiver on your Ruger pistol.
- Position the Picatinny Scope Mount over the receiver, aligning it with the drilled holes.
- Insert the provided mounting screws into the holes and tighten them securely. Do not overtighten as this may damage the mount or the firearm.
- Check that the mount is securely attached and does not move.

### 3. Usage:

- Once installed, you can attach your scope to the Picatinny rail.
- Ensure that the scope is securely mounted before use.
- Follow the scope manufacturer's instructions for any additional setup or adjustments.

## Disposal Instructions

- Dispose of packaging materials and any unused components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

- For any safety inquiries or support regarding the Picatinny Scope Mount, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the effective and safe use of your Picatinny Scope Mount. Thank you for your attention to safety!
