## Volquartsen Volthane Grips for Ruger Target Pistols

For nearly 30 years, shooters have praised the fit and feel of our grips. Our latest design brings back the original thumb rest to provide even more comfort and added control.

### Features:

- **Design:** thumb rest, palm rest and finger grooves give shooters more control over Ruger Target pistols.
- **One-piece:** Target grip for improved fit.
- **Comfort:** Fits most hand sizes.
- **Material:** Non-slip rubber with checkering.
- **Durability:** Made of highly durable rubber that is not damaged by most oils and solvents.
- **Accessories:** Includes an extended stud fastener and mounting screws with hexagon socket head.
- **Compatibility:** Volthane Grips are not compatible with 22/45 frames.
- **Origin:** Made in the USA.

# Volthane Target Grips Safety Instruction Guide

## Introduction

Thank you for choosing the Volthane Target Grips for your Ruger MKII pistol. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your grips. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your specific model and hand orientation (Right).
- Always handle firearms with care and follow all safety protocols.
- Keep the grips out of reach of children and vulnerable individuals.
- Regularly inspect the grips for wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not use the grips with 22/45 frames as they are not compatible.
- Avoid exposing the grips to harsh chemicals, oils, or solvents that may degrade the material.
- Ensure that your hands are clean and dry before handling the grips to prevent slippage.
- Use the grips only for their intended purpose as specified in this guide.
- If you experience any discomfort while using the grips, stop using them immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing grips from your Ruger MKII pistol.
- Align the Volthane Target Grips with the mounting holes on the firearm.
- Use the provided extended stud fastener and mounting screws with hexagon socket head to secure the grips in place.
- Tighten the screws evenly to ensure an even fit without overtightening.

### 2. Usage:

- Grip the pistol firmly but comfortably, utilizing the thumb rest, palm rest, and finger grooves for better control.
- Practice with the grips to find the most comfortable hand position for your shooting style.
- Regularly check the tightness of the screws to ensure the grips remain securely attached.

## Disposal Instructions

- Dispose of the grips in accordance with local regulations.
- If the grips are damaged beyond use, consider recycling them if possible.
- Do not dispose of the grips in a manner that poses a risk to the environment.

## Contact Information for Further Support

For any safety inquiries or concerns regarding your Volthane Target Grips, please reach out to the designated EU contact point provided at the time of purchase. You can also check for recall updates on the EU's Safety Gate platform to stay informed about any safety notices related to your product.

Thank you for prioritizing safety while using the Volthane Target Grips. Enjoy your shooting experience!
