## Volquartsen Volthane Grips for Ruger Target Pistols

For nearly 30 years, shooters have praised the fit and feel of our grips. Our latest design brings back the original thumb rest to provide even more comfort and added control.

### Features:

- **Design:** thumb rest, palm rest and finger grooves give shooters more control over Ruger Target pistols.
- **One-piece:** Target grip for improved fit.
- **Comfort:** Fits most hand sizes.
- **Material:** Non-slip rubber with checkering.
- **Durability:** Made of highly durable rubber that is not damaged by most oils and solvents.
- **Accessories:** Includes an extended stud fastener and mounting screws with hexagon socket head.
- **Compatibility:** Volthane Grips are not compatible with 22/45 frames.
- **Origin:** Made in the USA.

# Safety Instruction Guide for Volthane Target Grips Ruger Left MKII

## Introduction

Thank you for choosing the Volthane Target Grips for your Ruger Target Pistols. This guide provides important safety instructions and guidelines to ensure the safe use and installation of your new grips. Please read this document carefully before use.

## General Safety Guidelines

To ensure your safety and the safety of others, please observe the following general safety guidelines:

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before installing or handling the grips.
- Keep the grips and firearms out of reach of children and unauthorized users.
- Inspect the grips regularly for any signs of wear or damage.
- If you notice any defects or issues with the grips, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

When using the Volthane Target Grips, please keep the following safety precautions in mind:

- The grips are designed for use with Ruger Target pistols only. They are not compatible with 22/45 frames.
- Ensure a proper fit by following the installation instructions carefully.
- The nonslip rubber material provides a secure grip; however, avoid using the grips in wet or slippery conditions.
- Be cautious when using solvents or oils, as they may affect the durability of the rubber material.
- Always maintain control of the firearm while aiming and shooting to prevent accidents.

## Instructions for Installation and Usage

Follow these steps to install and use your Volthane Target Grips safely:

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools: a hexagon socket wrench and the included mounting screws.

### 2. Installation

- Remove the existing grips from your Ruger Target pistol.
- Align the Volthane Target Grips with the mounting holes on the pistol frame.
- Insert the extended stud fastener into the appropriate hole and secure it with the hexagon socket head.
- Tighten the screws evenly to ensure a secure fit, but avoid overtightening which could damage the grips.

### 3. Usage

- Once installed, hold the firearm with both hands, ensuring a firm grip on the Volthane Target Grips.
- Practice aiming and shooting in a safe environment to become accustomed to the new grips.
- Regularly check the grip for any movement or looseness during use and tighten as necessary.

## Disposal Instructions

When disposing of your Volthane Target Grips, please follow these guidelines:

- Do not dispose of the grips in regular household waste.
- Check local regulations for proper disposal methods of rubber products.
- If applicable, consider recycling options for rubber materials.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product issues, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have the product details ready when reaching out for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Volthane Target Grips. Always prioritize safety and responsible firearm handling. Thank you for choosing our product, and we wish you success in your shooting endeavors.
