# Grip Hardware Set for Volquartsen Grips Safety Instruction Guide

## Introduction

Thank you for purchasing the Grip Hardware Set for Volquartsen Grips. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the Grip Hardware Set.

## General Safety Guidelines

- Ensure that the Grip Hardware Set is used only for its intended purpose.
- Keep the hardware set out of reach of children and vulnerable individuals.
- Regularly inspect the components for any signs of wear or damage before use.
- In case of any doubts regarding the safety or functionality of the product, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Use the hardware set only with compatible grips, specifically the Volthane Target Grips for Ruger MK IV and Laminated Grips.
- Always use the provided hex key to secure the screws properly.
- Avoid overtightening the screws, as this may damage the grips or hardware.
- Ensure that all components are clean and free from debris before installation.
- Do not modify any components of the Grip Hardware Set, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Gather Required Tools:

- Ensure you have the following components from the Grip Hardware Set:
  - (4) 640 socket head cap screws
  - Washers
  - Short arm hex key

### 2. Preparation:

- Ensure the Ruger pistol is unloaded and pointed in a safe direction.
- Remove any existing grips if applicable.

### 3. Installation Steps:

- Place the Volthane Target Grip or Laminated Grip onto the Ruger pistol.
- Align the grip holes with the corresponding holes on the pistol frame.
- Insert the socket head cap screws through the grip and into the frame.
- Place a washer on each screw before tightening.
- Use the short arm hex key to tighten each screw securely, but avoid overtightening.

### 4. Final Check:

- After installation, check that the grip is securely attached and does not move.
- Ensure that all tools and excess materials are cleared away from the workspace.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the Grip Hardware Set in regular household waste. Instead, consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Grip Hardware Set, please refer to the product packaging for contact details or seek assistance from the retailer where the product was purchased.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Grip Hardware Set for Volquartsen Grips. Thank you for prioritizing safety in your use of this product.
