- Do not attempt to modify or alter the extended magazine release in any way.
- Keep the extended magazine release clean and free from obstructions to ensure proper function.
- Do not use excessive force when operating the extended magazine release.
- Ensure that the magazine is properly seated in the firearm before attempting to release it.
- Always wear appropriate eye and ear protection when shooting.
- Be cautious when handling loaded magazines.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Factory Release:**
 - Locate the flushmounted factory magazine release on your Ruger 10/22.
 - Use a suitable tool to gently push the factory release out of its mounting position.
3. **Install the Extended Release:**
 - Align the extended magazine release with the mounting hole on the receiver.
 - Push the extended release into place until it clicks securely.
4. **Final Check:** Ensure that the extended magazine release is firmly installed and functions correctly by pressing it with your thumb.

Usage

- To release the magazine, hook your thumb on the curved extended release and push forward.
- The magazine should fall free into your hand for easy access.
- Practice using the extended release in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.

- If the extended magazine release becomes damaged or unusable, dispose of it in a manner that prevents any potential harm to the environment or individuals.
- Do not throw away any firearm accessories with regular household waste. Check local regulations for proper disposal methods.
