HP Action Kit, Black, 10/22, Add Plus Kit

This kit consists of our target hammer (includes shims and bushings), hammer spring, target disconnecter, target sear and target trigger. Includes polished plunger and spring) with overtravel adjustment. Also included is a recoil buffer to reduce wear on the action and bolt. The HP Action Kit will give the shooter one of the most crisp, clean trigger pulls available. Reduces trigger pull down to approximately 2.25 - 2.5lbs.

HP Action Kit Plus features all of this and adds our Extended Magazine Release and Auto Bolt Release.

Please note our bolt release is only compatible with Volquartsen and Ruger factory bolts and trigger guards, including the BX

Trigger. It may not work correctly with other manufacturers' parts.

HP Action Kit, Black, 10/22, Add Plus Kit Safety Instruction Guide

Introduction

Thank you for purchasing the HP Action Kit, Black, 10/22, Add Plus Kit. This guide provides important safety information and instructions for the safe use of your product. Please read this guide carefully before using the kit to ensure safe and effective operation.

General Safety Guidelines

- Ensure that the HP Action Kit is used only in accordance with the manufacturer's instructions.
- Always treat firearms and firearm components with respect and caution.
- Keep the kit and all components out of reach of children and unauthorized users.
- Regularly inspect the kit for any signs of wear or damage before use.
- If you experience any issues with the kit, cease use immediately and seek assistance.

Specific Safety Precautions for Use

- **Compatibility:** The HP Action Kit is designed for use with Ruger factory bolts and trigger guards, including the BX Trigger. Ensure compatibility before installation.
- **Trigger Pull Adjustment:** The kit allows for trigger pull reduction. Make adjustments carefully to avoid an unsafe trigger pull weight.
- **Recoil Buffer:** The included recoil buffer is designed to reduce wear on the action and bolt. Ensure it is properly installed to maintain performance.
- **Avoid Modifications:** Do not modify any components of the kit or combine them with parts from other manufacturers, as this may lead to unsafe operation.
- **Regular Maintenance:** Conduct regular maintenance and cleaning of the kit and firearm to ensure safe operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's instructions.
- Remove the existing hammer, disconnect, sear, and trigger.
- Install the target hammer, hammer spring, target disconnect, target sear, and target trigger from the HP Action Kit.
- Install the polished plunger and spring, ensuring overtravel adjustment is set as desired.
- Install the recoil buffer according to the instructions provided in the kit.
- Reassemble the firearm, ensuring all components are secure and functioning correctly.

2. Usage:

- Before each use, check that the firearm is unloaded and that the kit components are functioning properly.
- Practice safe handling techniques at all times.
- Test the trigger pull in a safe environment to ensure it meets your preferences without compromising safety.

Disposal Instructions

- Dispose of any damaged or worn components of the HP Action Kit in accordance with local regulations for hazardous materials.
- Follow any specific disposal instructions provided by local authorities for firearm components.

Contact Information for Further Support

For any questions or concerns regarding the HP Action Kit, please refer to the manufacturer's website or contact your local dealer for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your HP Action Kit, Black, 10/22, Add Plus Kit. Always prioritize safety and responsibility when handling firearms and their components. Thank you for choosing our product.
