## Bedding system for 10/22 and 10/22 Magnum

This bedding system is the same as the one we use in our complete rifles. Installation takes less than 10 minutes. No mixing of compounds, no taping of the barrel and no release agents are required. It is designed exclusively for the "one take down action screw" design (i.e. Ruger 10/22, 10/22 Magnum). This kit includes an aluminum bedding block, foam pad and installation drill and complete instructions.

- **Easy installation:** Ready in less than 10 minutes, with no complicated mixing or preparation.
- **Complete kit:** Includes aluminum bedding block, foam pad and installation drill.
- **No extra effort:** No mixing of compounds, no taping of the barrel and no release agents required.
- **Exclusive design:** Developed for the "one take down action screw" design (e.g. Ruger 10/22, 10/22 Magnum).
- **Complete instructions:** Includes detailed installation instructions.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the installation instructions before beginning.
- **Check for Damage:** Inspect the bedding system components for any damage before use.
- **Use in a Safe Environment:** Ensure you are working in a wellventilated area, free from distractions.
- **Wear Protective Gear:** Use safety glasses and gloves during installation to protect against any debris.
- **Avoid Mixing Compounds:** Do not mix any compounds or use release agents, as this product is designed for straightforward installation.
- **Keep Components Organized:** Ensure all parts are accounted for before starting the installation process.

## Instructions for Installation and Usage

### 1. Prepare Your Workspace:

- Choose a clean, flat surface to work on.
- Gather all components: aluminum bedding block, foam pad, installation drill, and instructions.

### 2. Installation Steps:

- **Step 1:** Remove the action from the stock of your Ruger 10/22 or 10/22 Magnum.
- **Step 2:** Place the aluminum bedding block into the stock.
- **Step 3:** Position the foam pad on top of the bedding block.
- **Step 4:** Align the action with the bedding block and ensure it fits snugly.
- **Step 5:** Using the installation drill, secure the action with the "one take down action screw."
- **Step 6:** Doublecheck that everything is tightly secured and that there are no loose components.

### 3. Final Checks:

- Ensure the bedding system is installed correctly and securely before using the firearm.
- Perform a function check to verify that the action works smoothly within the bedding.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the bedding system is no longer in use, dispose of it responsibly. Check with local waste management

for guidance on proper disposal methods.
