# Bedding System Refill Kit Safety Instructions

## Introduction

Thank you for purchasing the Bedding System Refill Kit for your Ruger 10/22 and 10/22 Magnum. This guide provides essential safety instructions to ensure proper use and installation of the product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure safe handling and use of the product.
- Follow all installation instructions to prevent accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any product recalls on the EU Safety Gate platform.
- Report any unsafe product incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and eye protection, when handling the kit.
- Inspect the aluminum pillar and foam pads for any damage before use.
- Do not use the product if you notice any defects or irregularities.
- Ensure that the area where you are working is clean and free of distractions.
- Follow the compatibility guidelines strictly; this product is designed specifically for the Ruger 10/22 and 10/22 Magnum.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the drill with stop, before starting the installation.
- Ensure that the workspace is welllit and organized.

### 2. Installation Steps

- Remove the existing bedding system from your firearm, if applicable.
- Clean the bedding area to ensure a proper fit for the new components.
- Insert the aluminum pillar into the designated area, ensuring a stable and precise fit.
- Place the foam pads around the aluminum pillar for additional support and stability.
- Follow the specific instructions provided with your drill to secure the components properly.

### 3. PostInstallation Check

- After installation, doublecheck that all components are securely in place.
- Test the stability of the bedding system by gently applying pressure to ensure there are no loose parts.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- For the aluminum pillar and foam pads, check local regulations regarding disposal of nonbiodegradable materials.
- Do not dispose of in regular household waste if local laws require special disposal methods.

## **Contact Information for Further Support**
