Picatinny Scope Mount Safety Instruction Guide

Introduction

Thank you for purchasing the Picatinny Scope Mount for your 10/22 rifle. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the Picatinny Scope Mount is compatible with your specific 10/22 model.
- Always handle firearms with care and follow all local laws and regulations regarding firearm usage and accessories.
- Inspect the mount and all components for damage before installation.
- Keep the mount and all related components out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the mount. Ensure that the optics you are using do not exceed the recommended specifications.
- Always ensure that the mount is securely attached to the receiver before use.
- Avoid using the mount in extreme conditions (e.g., very high temperatures, heavy rain) that could affect its performance.
- Use only the provided mounting screws; do not substitute with other screws.
- If you are unsure about any aspect of the installation or usage, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver suitable for the mounting screws.
- Ensure that the rifle is unloaded and pointed in a safe direction.

2. Installation:

- Align the Picatinny Scope Mount with the receiver of your 10/22 rifle.
- Using the provided screws, attach the mount securely to the receiver. Do not overtighten the screws; follow the manufacturer's torque specifications.
- Confirm that the mount is stable and does not move when pressure is applied.

3. Usage:

- After installation, attach your chosen optic to the Picatinny Scope Mount according to the optic manufacturer's instructions.
- Doublecheck that all components are secure before taking the rifle to the range or field.
- Regularly inspect the mount and optics for any signs of wear or damage during use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the Picatinny Scope Mount is no longer in use, dispose of it in accordance with local regulations.

regarding metal and electronic waste.

- Do not throw away in regular household waste.

Contact Information for Further Support

For questions or concerns regarding the Picatinny Scope Mount, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for choosing the Picatinny Scope Mount. Your safety is our priority. Please follow these guidelines to ensure a safe and enjoyable experience with your product.
