

# **Nova Scope Rings - Silver - Stainless Steel - High - 1"/26mm**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## **Nova Scope Rings, Stainless, Silver, 30mm, High**

These scope rings offer maximum accuracy and stability. They are CNC machined to exact tolerances so no lapping is required. The top half of the ring is secured by four 8-40 Torx screws. A 1/4-20 cross bolt allows for quick disassembly and a consistent return to zero. The Nova Rings are ideal for mounting any scope on a high recoiling rifle.

- **Material:** Stainless steel
- **Color:** Silver
- **Scope tube diameter:** 26mm
- **Ring height:** High
- **Locking:** Four 8-40 Torx screws (top half), 1/4-20 cross bolt for quick disassembly and consistent return to zero
- **Range of use:** Suitable for high recoil rifles

### **Attributes**

- Name: [Nova Scope Rings - Silver - Stainless Steel - High - 1"/26mm](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: BRD231555
- Mfr. No.: VCHD-S-S-1IN-H
- Color: Silver
- Height: High
- Material: Stainless Steel
- Scope Tube Diameter: 1"/26mm
- Delivery weight: 1kg
- UPC: 810162016265

# Nova Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the Nova Scope Rings. These highquality stainless steel scope rings are designed for maximum accuracy and stability when mounting scopes on high recoiling rifles. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your Nova Scope Rings, ensuring a safe and enjoyable experience.

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the scope rings are compatible with your rifle and scope specifications.
- Inspect the scope rings for any damage or defects before installation.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope rings are securely fastened to prevent the scope from moving during use.
- Use appropriate tools when installing or adjusting the scope rings to avoid injury.
- Avoid overtightening the screws, as this may damage the scope or the rings.
- Do not use the scope rings in conditions beyond their rated specifications, such as extreme temperatures or corrosive environments.
- Always wear appropriate safety gear, such as eye protection, when handling firearms and related equipment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a Torx screwdriver and any other required tools.
- Ensure that your rifle is unloaded and in a safe environment.

### 2. Installation

- Position the scope rings on the rifle's mounting base.
- Align the scope rings with the scope tube, ensuring the desired height is achieved.
- Secure the top half of the rings using the four 840 Torx screws. Tighten them evenly to avoid misalignment.
- Insert the 1/420 cross bolt and tighten it to secure the rings in place.

### 3. Adjustment

- After installation, check that the scope is level and properly aligned.
- Make any necessary adjustments to ensure optimal performance.

### 4. Usage

- Regularly check the tightness of the screws and bolts to maintain stability.
- If the scope becomes misaligned during use, safely readjust it as needed.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local waste management regulations.
- When disposing of the Nova Scope Rings, check for local recycling programs for metal materials.
- Do not dispose of the product in household waste if there are specific disposal guidelines in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Nova Scope Rings, please consult the packaging or visit the manufacturer's website for additional support and information.

Thank you for your attention to these safety instructions. Enjoy using your Nova Scope Rings responsibly!
