

# Gas Pedal P320 Take down lever - Sig Sauer - P320, P320 X-Series Comp

## DETAILS

Enhance your recoil control using this Gas Pedal® CG. This replacement for the factory P320 takedown lever assists by allowing you to counteract the rise of the muzzle upon recoil with your support thumb.

Fits all P320 models, calibers, and frame sizes. Including X5 LEGION, X-CARRY, X-COMPACT, M17, M18.

- No gunsmithing is required as this is a direct replacement of the factory takedown lever.
- Adds a very minimal amount of width to the overall firearm and as a result, works with most holsters.\*
- No snag design
- Stainless steel
- 100% made in the USA

Meant to be used two-handed with Modern Combat grip or Opposable Pistol grip techniques.

\*Some holster modification may be necessary

# Gas Pedal P320 Take down Lever Safety Instructions

## Introduction

Thank you for choosing the Gas Pedal P320 Take down Lever by Sig Sauer. This product is designed to enhance your recoil control and improve your shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure safe handling of the firearm at all times.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction.
- Be aware of your surroundings and ensure the area is clear before shooting.
- Store the Gas Pedal P320 Take down Lever and your firearm in a secure location, away from unauthorized users, particularly children.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- This product is intended for use with the Sig Sauer P320 series firearms only.
- Do not attempt to use the Gas Pedal P320 Take down Lever with any other firearm model.
- Ensure that the firearm is unloaded before installation or modification.
- Use twohanded grip techniques as recommended for optimal control.
- Avoid using excessive force during installation to prevent damage to the product or the firearm.
- If you experience any difficulty during installation or use, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, if any are required.

#### 2. Remove Factory Takedown Lever

- Follow the manufacturer's instructions to safely remove the factory takedown lever from your firearm.

#### 3. Install Gas Pedal P320 Take down Lever

- Align the Gas Pedal P320 Take down Lever with the designated slot on the firearm.
- Gently press into place until fully seated. Ensure it is securely attached.

#### 4. Check Functionality

- Test the lever to ensure it operates smoothly without obstruction.
- Make sure the lever is fully functional before using the firearm.

## **Usage**

- Grip the firearm using a Modern Combat grip or Opposable Pistol grip technique for optimal performance.
- Use your support thumb to counteract muzzle rise during recoil.
- Practice safe shooting habits and maintain focus on your target and surroundings.

## **Disposal Instructions**

- Dispose of the Gas Pedal P320 Take down Lever in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer needed, consider recycling materials where applicable.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the Gas Pedal P320 Take down Lever, please refer to the official Sig Sauer website or your local authorized dealer for assistance.

Please remember to report any unsafe products or accidents to the relevant authorities. Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety. Your safety and the safety of those around you is our top priority. Thank you for your attention to these important guidelines.
