## HENNING GROUP EDC MAGAZIN EXTENSION P320 X-SERIE, PLUS 3

Henning Group's EDC Magazine Extension is designed to give you three more rounds in your SIG SAUER P320. Extends 3 rounds in either 9mm and 40 S&W magazines, compact, standard or long length magazines! Use with factory magazine spring and follower. The factory locking plate is NOT used.

The EDC extension comes with a side cutout to enhance magazine grab/pull out. This product is CNC machined from 6061-T6 aluminum and anodized in black. The spring-loaded detent is made from stainless steel and finished in black nitride for long life.

Compatible with the following Grip Modules: AXG, X5 LEGION, XFULL, XCARRY, and XCOMPACT.

\*Please Note - This Magazine extension will NOT work with grip modules that have magwells attached to them.

**The weapon is not included!**

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the HENNING GROUP EDC Magazine Extension for your SIG SAUER P320 XSeries. This product is designed to enhance your firearm's magazine capacity safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the magazine extension. Follow all safety instructions to mitigate risks associated with firearm accessories.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check regularly for updates and remedies for any identified safety issues.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Always store it in a secure location out of reach of minors.
- **EU Contact Point:** For any safety inquiries or concerns, refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the EU Safety Gate system for updates on unsafe products. Report any unsafe experiences with this product to the appropriate authorities.

### Specific Safety Precautions for Use

- **Compatibility:** Ensure that this magazine extension is compatible with your specific P320 XSeries model. It is not compatible with grip modules that have magwells attached.
- **Installation:** Always follow the installation instructions carefully to avoid improper use.
- **Inspection:** Regularly inspect the magazine extension for wear or damage. Do not use if you notice any defects.
- **Proper Handling:** Handle your firearm and magazine extension responsibly. Always treat firearms as if they are loaded.
- **Storage:** Store the magazine extension in a secure location when not in use. Ensure it is out of reach of children and unauthorized users.
- **Usage with Factory Components:** Always use the factory magazine spring and follower with this magazine extension. The factory locking plate is not used with this product.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure your firearm is unloaded before beginning installation.
- Gather necessary tools if required for installation.

#### 2. Installation Steps:

- Remove the factory magazine from your firearm.
- Disassemble the factory magazine according to the manufacturer's instructions.
- Install the magazine extension onto the magazine body. Ensure that it fits securely.
- Use the factory magazine spring and follower for proper function.
- Verify that the extension is properly attached and there are no gaps.

### 3. **Loading and Usage:**

- Load the magazine extension with ammunition according to the manufacturer's guidelines.
- Insert the magazine into your firearm and ensure it locks in place.
- Test the magazine extension by cycling through the rounds to ensure proper feeding.

### 4. **PostUse:**

- After use, remove the magazine from the firearm and unload any remaining ammunition.
- Clean the magazine extension as necessary to maintain optimal performance.

## **Disposal Instructions**

- Dispose of the magazine extension responsibly.
- If the product is damaged or no longer in use, follow local regulations for the disposal of firearm accessories.
- Do not dispose of in regular household waste. Seek out designated disposal facilities or programs for firearmrelated products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the HENNING GROUP EDC Magazine Extension, please refer to the designated contact point provided with your product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your responsible use of this product.
