Safety Instruction Guide for Auszieher innen liegend P220 / P226, XFive/Six

Introduction

Thank you for choosing the Auszieher innen liegend P220 / P226, XFive/Six. This product is designed for use with Sig Sauer pistols, specifically the P220, P226, and XFive/Six models. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the extractor claw.

General Safety Guidelines

- Ensure that the product is used only with compatible Sig Sauer pistols: P220, P226, XFive/Six.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product and all firearms stored securely and out of reach of children and unauthorized users.
- Regularly inspect the extractor for signs of wear or damage and replace it if necessary.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms and installing the extractor.
- Make sure the firearm is unloaded before installing or removing the extractor.
- Do not attempt to modify or alter the extractor in any way.
- Be aware of the potential for sharp edges on the extractor; handle it with care to avoid cuts.
- Follow all manufacturer guidelines and recommendations for the specific firearm model being used.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Installation:

- Remove the slide from the firearm according to the manufacturer's instructions.
- Locate the extractor slot on the slide.
- Carefully insert the extractor into the designated slot, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's instructions.

3. Usage:

- After installation, test the extractor by cycling the action of the firearm without ammunition to ensure proper function.
- If the extractor fails to function correctly, remove it and check for proper installation or damage.

4. PostUsage:

- Regularly clean the extractor and the firearm to ensure optimal performance.
- Store the firearm and extractor in a safe and secure location when not in use.

Disposal Instructions

- Dispose of the extractor in accordance with local regulations regarding electronic and metal waste.

- Do not dispose of the product in regular household waste.
- If you are unsure how to dispose of the product properly, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer. It is important to reach out for help if you have any questions regarding the use or safety of this product.

By following these guidelines, you can ensure safe and effective use of the Auszieher innen liegend P220 / P226, XFive/Six. Thank you for prioritizing safety in your use of this product.
