Zündstiftpositionsbolzen Safety Instruction Guide

Introduction

Thank you for choosing the Zündstiftpositionsbolzen, phosphatiert for your firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of all nonfood products, including this replacement firing pin positioning pin.
- Be aware of risks associated with improper installation and usage.
- Always follow the manufacturer's instructions and guidelines.
- Check for any recalls or safety alerts regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only certified SIG SAUER armorers should install this parts kit.
- Improper installation may lead to malfunction, serious injury, or even death.
- Ensure that the firearm is completely unloaded before beginning any installation work.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the firearm and components for signs of wear or damage.

Instructions for Installation and Usage

1. Disassembly of Firearm

- Disassemble your firearm beyond the "fieldstripped" condition.
- Follow the manufacturer's disassembly instructions carefully.

2. Installation of the Zündstiftpositionsbolzen

- Locate the firing pin positioning area in your firearm.
- Insert the phosphated Zündstiftpositionsbolzen into the designated area.
- Ensure it is securely positioned and properly aligned.

3. Reassembly of Firearm

- Carefully reassemble your firearm following the manufacturer's guidelines.
- Doublecheck that all components are correctly installed and functioning.

4. PostInstallation Check

- Conduct a thorough inspection of the firearm to ensure all parts are secure.
- Test the firearm in a safe environment to verify proper function before regular use.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management services for proper disposal methods.

Contact Information for Further Support

- For any inquiries or assistance regarding the installation or safety of the Zündstiftpositionsbolzen, please consult your local SIG SAUER representative or authorized dealer.

By adhering to these guidelines, you help ensure your safety and the proper functioning of your firearm. Thank you for your attention to these important safety measures.
