Safety Instruction Guide for HAMMER STRUT, BLUE, TWO TONE

Introduction

Thank you for choosing the HAMMER STRUT, BLUE, TWO TONE. This product is manufactured to the highest Sig Sauer standards in material and workmanship. It is designed to replace worn parts or to maintain your Sig Sauer firearm in optimal operating condition. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- In case of any malfunction or damage, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this product with compatible Sig Sauer models: P226, P228, and P239.
- Do not attempt to modify or alter the product.
- Always handle firearms safely and responsibly. Treat every firearm as if it is loaded.
- Use appropriate safety gear when handling firearms, including eye and ear protection.
- Ensure that the firearm is unloaded before performing any maintenance or installation work.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for installation, including a screwdriver and any other required equipment.

2. Installation Steps:

- Remove the old hammer strut from the firearm by following the manufacturer's disassembly instructions.
- Inspect the area for any debris or damage before installing the new hammer strut.
- Carefully align the new HAMMER STRUT, BLUE, TWO TONE with the designated slot in the firearm.
- Secure the hammer strut in place according to the manufacturer's specifications.
- Reassemble the firearm, ensuring all parts are correctly fitted and secured.

3. PostInstallation Check:

- Once the installation is complete, conduct a thorough inspection of the firearm to ensure that all components are functioning correctly.
- Perform a safety check to verify that the firearm operates as intended.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's website or customer support channels for assistance.

By following these safety instructions, you can ensure the safe and effective use of the HAMMER STRUT, BLUE, TWO TONE. Thank you for your attention to safety and for choosing Sig Sauer products.
