Magazine Base Pad for Rex Zero 1, Rex Alpha, Speed Line

The Speed Line Base Pads are designed for optimal handling characteristics in dynamic shooting sports.

The Base Pad for Rex Zero1 or Rex Alpha does this best; improve magazine handling speed and precision of your Rex pistol.

It also adds +1 round to increase the magazine capacity from 18 to 19 using the stock magazine springs, but the superb handling and grip is what truly makes this base pad a worthwhile upgrade.

The bottom of this plate is flat with a special gripping tape for excellent grip and longer lifespan since the bottom of the magazine usually takes the most damage when dropped in dynamic sports such as IPSC.

Precise cuts and grooves are machined across 3 sides to aid in the fastest and most precise reloads with one hand. All these details contribute to a very solid grip.

No other modifications nor any special tools are required for installation. The base pad joins to the magazine with a tight fit.
True tool-less disassembly.

Made from aircraft grade, 7075 aluminium.
Anodised for maximum protection in black, silver, red, blue or gold color.

Safety Instruction Guide for Magazine Base Pad for Rex Zero 1, Rex Alpha, Speed Line

Introduction

Thank you for choosing the Magazine Base Pad for Rex Zero 1, Rex Alpha, and Speed Line. This product is designed to enhance your shooting experience by improving magazine handling and increasing capacity. To ensure your safety and the proper use of this product, please read this safety instruction guide thoroughly.

General Safety Guidelines

- Ensure safe use of the Magazine Base Pad by following all instructions provided.
- Always inspect the product for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction when inserting or removing the magazine.
- Do not attempt to modify the Magazine Base Pad or any part of the firearm.
- Avoid using the product if you notice any wear or damage.
- Always wear appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure that the magazine is empty before installation.
- Align the Magazine Base Pad with the magazine.
- Press the base pad firmly onto the magazine until you hear a click, indicating a secure fit.
- Verify that the base pad is attached correctly by gently pulling on it.

2. Usage:

- Load the magazine with ammunition as per the manufacturer's guidelines.
- Insert the magazine into the firearm, ensuring it is seated properly.
- Practice reloading the firearm in a safe environment to familiarize yourself with the handling characteristics provided by the base pad.

Disposal Instructions

- Dispose of the Magazine Base Pad responsibly.
- If the product is damaged or no longer in use, follow local regulations for the disposal of aluminum materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Magazine Base Pad, please refer to the manufacturer's contact details provided in the product packaging.

Conclusion

By adhering to these safety guidelines and instructions, you can ensure a safer and more enjoyable experience with your Magazine Base Pad for Rex Zero 1, Rex Alpha, and Speed Line. Always prioritize safety and responsible handling when using firearms and related accessories. Thank you for your attention to these important safety measures.
