Magazine Pad for AREX Delta Spider Line

Add +2 rounds to your AREX Delta with a unique Base Pad!

The Base Pad is the perfect complement for the AREX Delta pistol, which is becoming increasingly popular among sport shooters worldwide.

This newly textured line of coating is the 'Spider Line'. The Spider Line is an aggressive texture milled directly from a solid block of aluminum.

The aluminum construction with tool-less disassembly makes it easy to clean dirty magazines in the field or in competition. All you need is a fingernail for assembly thanks to the included steel locking plate.

Armanov Magazine Pad for AREX Delta Spider Line Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Magazine Pad for the AREX Delta Spider Line. This product is designed to enhance your shooting experience by providing an additional +2 rounds to your AREX Delta pistol. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure the magazine pad is compatible with your specific model of the AREX Delta pistol.
- Regularly inspect the magazine pad for any signs of damage or wear before use.
- Keep the magazine pad out of reach of children and vulnerable individuals.
- Do not use the magazine pad for any purpose other than intended.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the magazine is unloaded before attaching or detaching the magazine pad.
- Avoid exposing the magazine pad to extreme temperatures or harsh chemicals that may degrade the material.
- Be cautious when assembling or disassembling the magazine pad to prevent injury from sharp edges.
- Use only the tools specified in the instructions for assembly; do not use makeshift tools.
- If you experience difficulty during installation, stop and seek assistance rather than forcing components together.

Instructions for Installation and Usage

1. Installation of the Magazine Pad:

- Ensure your AREX Delta magazine is clean and free of debris.
- Using your fingernail, gently lift the existing base pad from the magazine.
- Align the new Armanov Magazine Pad with the magazine base.
- Press down firmly until you hear a click, indicating the pad is securely attached.
- Check that the steel locking plate is properly engaged to ensure stability.

2. Usage:

- Load your magazine with an additional 2 rounds as intended.
- Ensure the magazine is securely inserted into the firearm before use.
- After use, remove the magazine pad for cleaning if necessary.

Disposal Instructions

- Dispose of the magazine pad in accordance with local regulations for aluminum materials.
- Do not dispose of the product in fire as it may release harmful substances.
- Ensure that all components are disposed of properly to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Armanov Magazine Pad, please refer to the manufacturer's contact information provided with your product packaging. Always keep this guide for future reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Armanov Magazine Pad for the AREX Delta Spider Line. Thank you for your attention to safety and compliance.
